TOS

Spoiler ([Click to View](#))

1. No leaking/selling this method
2. No refunds
3. You agree to the TOS when you buy
4. This is a slightly-known method, but it comes with absolutely everything you need, and makes the method much easier to do. Please ask all questions before purchasing.

Kanade Tachibana - October 25, 2013, 11:21 am

I have received a vouch copy of this eBook and will be reviewing it. I am in no way affiliated with the seller nor do i serve to gain anything from writing this review.

Quality 8/10

There is a lot of good information in this eBook.

Ease of Use 9/10

Almost anyone can do this.

Layout 8/10

The layout is neat and clean.

Grammar 9/10

I did not see any grammar mistakes however i may have missed some if any.

Originality 4/10

The method the OP provides is not new in the slightest. He gives you everything you need to do this however which boosted this with his own program which comes with no additional cost to you.

Overall 7/10

This is for people who are completely new to the account scene. It is a basic but reliable method and the OP gives you everything you need to make it work. Therefore i vouch for the product and the seller. GLWS.

The accounts that you get will be random. Some will have games, some will not. If you choose to target Origin accounts, then yes, eventually you should find one with Battlefield 4.

reaand - *October 25, 2013, 12:22 pm*

Is there a vouch copy? if not i'll buy it and i'll try later man

There is one vouch copy left for a high rep ub3r, I've PM'd a couple.

Would be awesome if you were my first customer ?

CurvedMushroom - October 25, 2013, 12:35 pm

I PMed you about this - CurvedMushroom

Review [Vouch Copy] ?

The Grammar is really good but i am german so i used google translation , i never saw a method like this this is Amazing.

The Owner of the ebook helps alot on skype :) gave me alot of useful links :) The Support is amazing !

Buy it,you wont regret it ?

Full vote

10/10

Thanks for the review ? I practice my grammar as much as possible haha

Jeff Jordan - October 25, 2013, 2:05 pm

Received a vouch copy of this eBook, it contains a lot of detail on how to do the method, so you won't have a hard time getting anything done. It's very easy, and the best thing is that you don't

necessarily have to use it for Steam accounts, it can be anything. Once setup, it's pretty much on auto-pilot. This method is very easy and you should see results if you follow the eBook. Don't hesitate to buy this, especially since it's only \$5.

Thanks for the review!

No more vouch copies available ? I'll let the first buyer have it for \$3.50 ?

Redder04 - October 26, 2013, 1:42 pm

ill buy if u accept paypal! ill contact you on skype

Sorry, don't have a PayPal atm, might get it in the future though.

#YOLO - October 26, 2013, 1:55 pm

Would buy this if you accepted PP :)

I really need to get an account haha

I'll check it out tomorrow.

I am now accepting PayPal! PM or add me on Skype to buy!

Sprremix - October 27, 2013, 8:59 am

Method I've rarely seen and especially on a paid ebook. But this surely will do the trick ;) You'll get lots of accounts and if you continue I guess you could open up a shop to sell the ones you dont need :)

Vouch for CPStrike. cheers

Thanks for the vouch! That's what I do with my spare accounts too haha

Redder04 - October 27, 2013, 9:08 am

HE GOT A PP ACCOUNT :D!!! im the first customer! ok well.. I didn't like the "method" everyone in their life goes through this stage. But at least i got refreshed. Vouch!

Just try it out for a bit, you'll have accounts in no time. Thanks for the vouch!

Oldation - *October 29, 2013, 2:18 am*

Still selling this method guys, hmu!

Porygon - *October 29, 2013, 5:19 am*

Quality : 8.5/10

Detailed e-book with picture ;)

Ease of Use : 7/10

You just need a little bit patience

Grammar : 10/10

I'm French and I have read the e-book perfectly !!

Layout : 8/10

Good

Originality : 6/10

I know the method but it's come with a lot of explication

Oldation - *October 29, 2013, 11:42 am*
