Thread: [navizon earn money cell phone](#)

pedroduarte88 - October 28, 2013, 4:35 pm

HELLO MY FRIENDS ..

Here I will explain how to make money with Navizon!.

Navizon is a software-only wireless positioning system that triangulates signals broadcasted from Wi-Fi access points and Cellular towers to help the users find their way in most major metropolitan areas worldwide.

NAVIZON is a website that has existed since 2006 and pays its users to find areas with Wifi and cell towers

Arrived in September to Portugal.

We are pioneers in Portugal, soon we will win a lot! The purpose of this site is we map all zones that have towers with internet source, access points wireless and so on ...[/color]

Do registration here

http://my.navizon.com/Webapps/UserAdmin/register.aspx?referral_code=5E5A5C58595F5A

How to collect points?

15 points for each cellular tower

3 points for each Wi-Fi access point

If they are discovered by you (If you are the first one to map them)

1 point for each Wi-Fi access point

2 points for each cellular tower

If they have already been mapped by someone else

after register go to [and download android aplication..view the image](#)

Go to the MAPPING and click on GPS ON!

We recommend having your WIFI connected also, you don't have to have internet on my phone for this to work!

From now on, whenever you're on the street, are you looking for Wifi and making money!

Raisins for 1 building and catch the Wifi available in the apartments.

You come home, you UPLOAD to the site to register the data and convert the points..

enjoy this program...

Every 10,000 points replacement by 10 Dollars via Paypal!

Give your friends the tip and WINS 20% of everything they do!

Yes it works. I went for a walk with dog for like 15-20minutes and earned 320 points. Shame I haven't knew about it earlier because I traveled like 3000km in Europe throught holidays. It's good when you travel a lot by bus or by car.

Yeah this would only be great for someone who likes/travels alot.

Other than that, yeah thanks for sharing.
