Thread: [PPD mentoring project \(100\\$+ per day\)](#)

B3A - October 29, 2013, 7:48 am

Well...

Are you bored of all these fail mentors trying to teach you PPD and keep asking you for money and after you pay you get a reasy copy pasted message?

That's why I'm here.

I am teaching PPD without exceptions. The only thing you need to have to join the project is good mood.

Requirements to join the PPD project:

- 1)Mood to work
- 2)Be sure you will follow my instructions carefully
- 3)Registering in links I will provide to you
- 4)Having a skype/Facebook
- 5)A reply to my thread so it won't die

F.A.Q :

- Do I need to pay you? No it's completely free
- Do I need to download a shitload of useless things? Not at all
- Is it too hard for a noob to learn? Nope. It's as simple as drinking water
- Does it need a major amount of time in order to get my first income? No. You may get your first income instant after the end of the lesson

What am I providing you :

- Skype/Facebook live lessons
- 100% support and feedback during the lesson
- Lifetime support
- Ready autopilot PPD system

Ways to contract me:

- 1)Pm me
- 2)add me on facebook (<https://www.facebook.com/Ellhnobronx>)
- 3)add me on my w-whoring skype : minerva.grant1

Vouches :
