Thread: [BF3 on Origin FREE!](#)

SDK - October 29, 2013, 1:50 pm

METHOD IS PATCHED.

PROMO WAS VALID ONLY FOR ONE HOUR YESTERDAY!

There is an key going around and you can get BF3 on Origin for FREE!

The key is:

G433-XWLD-ZBW8-JWUC-JDSW

(It doesn't matter if someone claims it, it will still be valid)

Have fun!?

EDIT: ALOT OF PEOPLE ARE CLAIMING THE KEY AT THE SAME TIME SINCE IT'S ON REDDIT TOO, SO IF YOU GET AN ERROR TRY LATER.
