TheMusicBoards.com - [REGISTER HERE](#)

Hello everyone. I'm here today to promote my forum and get more members. What is TheMusicBoards.com? TMB is an Internet forum dedicated to all types of music. While there are other music boards that focus on every genre out there, they are usually extremely outdated and bland. TMB is fresh, new, sleek, and up to date with dedicated administration (myself).

Why should I join? - [REGISTER HERE](#)

- Notifications
- Amazing mobile theme
- Constant updates
- Will grow up to be big; nothing cooler than an OG member
- Smooth design
- User-friendly
- One of a kind
- Dedicated administration

Can I be a moderator? - [REGISTER HERE](#)

Yes, I am currently looking for people to professionally moderate my board. Moderators will be paid monthly. Sign up and apply [here](#). There are several requirements; maturity being a big one. If you are not mature, you are not fit for our moderator positions.

What does it look like? - [REGISTER HERE](#)

The forum index

The extremely simple post body

The attractive mobile theme

The loving admin
