Thread: [Threads keep disappearing\(threads were not violating rules\)](#)

Chopped - November 2, 2013, 6:38 am

Hey , my threads keep disappearing I know you guys will say the staff closed it but the threads that disappeared were not violating any rules . I spent allot of time into these and i'm kinda annoyed . Please fix this admin if this is an error . Thank you .

It depends where you are posting

Are you sure you have the right sections?

I posted a tutorial in the hacking tutorial section .

Blue Sapphire - November 2, 2013, 6:58 am

I posted a Adf.ly clicking service in Free services and giveaways, it also dissapeared for me, i don't think i violate the rules?

Maybe a mentor can confirm what the problem is please.

Tech Tricks Wrote: [\[CITE\]](#) Are you sure you have the right sections?

I posted a tutorial in the hacking tutorial section .

What kind of thread did you create?

Belongs in the Referrals section.

It was a hacking tutorial on a how to spread programs etc and the other one was how to get peoples ips .
