The first couple won't work but there are dozens that do work with amazing names such as @hack.cl.

Find the perfect email for ya.

Please Leave some feedback or something in return atleast.

Found it in another forum sharing this to everyone that dosnt know and some links are broken

Vexane - November 6, 2013, 8:09 pm

All of these links are broken.

Try not copying and pasting next time.

(I still got my email address that I wanted

because of your Google method)

Yeah I know I got it from another forum i forgot which one. I put it on here so people that dont know about this can get something atleast :p Thanks btw

Edit: Fixed It :D They should work now :)

Jacob Baker - November 6, 2013, 8:20 pm

Copying and Pasting from other forums I see, at least this hasn't been posted 100 times before..

LiquidRainbow - November 7, 2013, 1:04 am

Thanks, I used the Google dork and found several emails I like.

-3?? - November 7, 2013, 2:09 am

What a nice share. It would be awesome if someone could make a "@Black.hat" email though. As for now I'll stick with my "@skid.pro" email.
