Good luck with sales op.

(Jan 18, 2014 12:34 PM)Alside Wrote: [\[CITE\]](#) Quality 9/10

The quality of this ebook was good. Not a complicated method but it is well explained. It is easy to do and follow.

Ease of Use 9/10

To be honest you would have to be pretty dumb to not be able to use this! It could not be more simple! This does need either a Apple or Android device but most people have at least one of those!

Layout 7/10

The layout was not the nicest looking, but it was not ugly. It was a easy read with only one picture though.

Grammar 9.5/10

I did not notice any grammar mistakes be it big or small.

Originality 8.5/10

The method the author uses is not the first of its kind I do not think but it is not well known and should make you good money.

Overall 8/10

I would buy this method if you want to make money with your Apple device or android. You make money quick! Nice ebook! GLWS!

iwu - November 7, 2013, 10:27 pm

I'd like to get a vouch copy on this, if I could.

Ha Haaa - November 7, 2013, 10:38 pm

I don't get how this method can get you over \$100 a week from downloading apps.

Lavish Living - November 7, 2013, 10:41 pm

then purchase it to find out!! :)

haven't decided who will get the vouch copy yet, still deciding!

TheTurboEngineers - November 8, 2013, 1:07 am

Its basically downloading the Feature points app? If not pm (:

Lavish Living - November 8, 2013, 1:11 am

gave out a vouch copy to pink leaf, hopefully he reviews.

TheTurboEngineers - November 8, 2013, 2:05 am

Can you please answer my Question?

Cause if you use the FP App the Method is Public.

Handsome Banana - November 8, 2013, 3:50 am

You state that it's public in the thread but decide to sell it.

Honestly, this is a really simple guide.

I have seen this guide before, and the methods are not really "private".

After reading this twice, it is quite simple what to do.

Honestly, I'd give this a 2 out of 5 for effort.,

I guess your country is not supported then, although you could still profit from the app if you follow
this eBook :)
You profits won't be as large as people who can complete the offers though.

Rapierz - November 10, 2013, 12:48 am

dont buy this if you are not from high class country like u.s
i trade my netflix accounts and this is the worst deal i ever made
i wont get any money from this because there is no offer available in my country
this is my review not only critics
