Thread: [\[TUT\] How to get alot of slaves \[TUT\]\[Autopilot\]](#)

iMalware - November 8, 2013, 12:01 pm

THIS TUTORIAL IS MADE FOR EDUCATIONAL PURPOSES ONLY

Hello HackForums

This is not the manual tutorials you see many stupid people still belive this

I decided to write this tutorial please give a thanks because this tutorial takes me long time to write

Ok let's start

Required:

1. Yui's Omegle Spreader [Download here offical link](#)
2. A brain
3. Patience (Will not take long)
3. File Uploading site (I'd use filedropper.com that's just my option)

Ok let's start

1. Go to settings at the program in the GroupBox where it says "User Settings"

Right click the list thing inside there right click and click Add Text

2. Type hello wanna see my slideshow of me? "Download link here"

3. Check "Wait for them to talk" "Alert me when a capacha appears" and "Hide web browser component"

4. Now go to Control Panel > and click the start button

EXTRA: (Video for Yui's Omegle Spreader)

<http://www.youtube.com/watch?v=q1Wguj8yYg8>

Now wait

Enjoy slaves

Did you just re-post this? ?

iMalware - November 8, 2013, 12:06 pm

Yes, please delete the other one ?

-3?? - November 8, 2013, 12:06 pm

(Nov 8, 2013 01:06 PM)iMalware Wrote: [\[CITE\]](#) Yes, please delete the other one ?Why did you even re-post in the first place?

?Schock - November 8, 2013, 12:07 pm

maybe 10 slaves a day (24hrs)

Leaving your computer on for 10 slaves a day is not worth it

iMalware - November 8, 2013, 12:12 pm

My threads always has to get ruined. -Repping me when i only try to help

let me leave soon..

let me leave soon..Making a new thread will only make it worse.

iMalware - November 8, 2013, 12:20 pm

Remove the other one please i really need it removed

Homothe - November 8, 2013, 12:24 pm

Ehh sorry but this is posted 7467 times?

(Nov 8, 2013 01:24 PM)Homothe Wrote: [\[CITE\]](#) Ehh sorry but this is posted 7467 times?Actually, it has been posted 7468 times.

iMalware - November 9, 2013, 3:41 am

No it has not. The other tutorials you find is like "manual spreading" this is "autopilot spreading"

TheDefiant - November 9, 2013, 7:04 am

Other tut's also use Yuri's Omegle spreader :P

? Ace of Spades ? - November 9, 2013, 11:21 am

Nice tutorial and actually it s works. but many time posted in hf before..

iMalware - November 9, 2013, 1:56 pm

Thank you Zaolas™ for the thanks. I'm glad it helped ?

MrJabba - November 9, 2013, 2:23 pm

lol nice tutorial good job Im actually really new to all this and need some time to understand but still .. thanks :D

iMalware - November 9, 2013, 2:27 pm

Thank you MrJabba thanks. I'm glad it helped ?

Fexxi - November 10, 2013, 6:33 am

Thanks alot, helped me out so much :)

iMalware - November 10, 2013, 6:37 am

Thanks. see alot of people like it might write more tutorials.

quiteer - November 19, 2013, 10:06 am

Alot of spreading guides, and might posted alot of this one too. but this one was the one i snatched, so thank you :)

Cyan - November 19, 2013, 10:09 am

This method is terrible, you won't get many slaves, maybe 5 a day.

I got 28 slaves in 1 hour, i uploaded my bin at puush.me and gave them a link that ends with .jpg :)

ignore07 - November 19, 2013, 10:49 am

Nice tutorial . thanks for this ! It's work for me

iMalware - November 30, 2013, 1:00 am

No problem. glad it worked for you ill make some other tuts later...

Poniac9 - December 1, 2013, 4:19 pm

thank you .. this is good for new comers like me :D

iMalware - December 1, 2013, 9:55 pm

No problem. glad it worked for you ill make some other tuts later...

Hackers papa - December 2, 2013, 6:28 am

thanks for the tips man.i am grateful..

iMalware - December 2, 2013, 6:53 am

No problem. glad it worked for you ill make some other tuts later...

Minnesota - December 2, 2013, 7:04 am

Thanks for the tutorial going to try this out later.

iMalware - December 2, 2013, 7:20 am

No problem Minnesota. Glad you are gonna try this out :) You will really get slaves for doing nothing really
