Hello, this is really simple.

I'm hosting a contest in which you change your signature to the one I provide for atleast 5 days. The contest is over in 10 days, 11/20/13. Winners will be announced on 11/21/13

As of now, the prize will be \$10.

For every copy of my eBook sold from the creation of this thread to the end of the contest, I'll add \$1. So the prize could be upwards to \$100 :)
