Private666 - November 13, 2013, 7:22 am

Nice leak i wouldn't mind checking it out long time since these popped up :D

BigDickBandit - November 13, 2013, 7:26 am

Hey

Can u send this to me please?
thank yo!!

Backwoods Cigar - November 13, 2013, 7:28 am

I am l33t, as could you help a brother out?
Thanks man!

Although I am not Uber/Leet I just want to thank you for giving back! I know about DoS, but can you stay anonymous when DoSing? The charges for DoSing are hefty and I am skeptical about using a DoS. I'm still new to the computer world and I have only got my foot wet. Also, can you name some situations or uses for the DoS? Thank you in advanced!

Good job on grave digging.
I no longer offer this shell.
