(Jan 3, 2014 12:09 PM)hackbuddy Wrote: [\[CITE\]](#) Great hosting service, love the customer support, hosting a client project. Really admire the free SSL +1 for that.

The server is very stable and no overselling.We are now accepting OmniCoins!

Inorder to purchase our hosting packages using Omnicoin select the Omnicoin as the payment method in our billing panel and submit a support ticket.
