Spoiler [\(Click to View\)](#) (Nov 15, 2013 05:16 AM)NUFC Wrote: [\[CITE\]](#) NUFC's Official Review

First my personal opinion.

After having doubts about the method when the user clearly states it is connected to Ebay in his thread i reluctantly opened the E-book and started to read. Once i finished reading i was very glad i was chosen to review it.

Scales on 1/10

Originality. 10/10: - The reason for this is because i have never seen, heard or even thought of this before. Amazing!

Ease of use. 10/10: - A child could actually do this with no problems at all as long as they can follow simple instructions and read.

E-book layout / wording. 7/10: - There is room for improvement with the way this is worded and

could also do with some images but this does not matter as it is still very easy to follow.

Method. 10/10: - Yes as long as you follow the instructions you will have no problem at all making your money back. Then go on to making a hell of a lot more. I personally followed the instructions and if i had time at the moment could make some very fast money.

Time. 9/10: - Obviously there is a little work involved on your part but your not going to get rich looking at a screen are you.

My hat rating: This is listed a 100% Greyhat method but i would say it is very very light greyhat (at most)

Price: I would buy this E-book with no worry in my mind at all and the price he is selling it for is a snip i would value this at around \$50 - \$60 and could make it back very fast.

Other: Without giving anything away the main post states requirements of a Ebay account. You are not just limited to Ebay you can go down many other routes.

Thank you for reading my review. Please note these are my personal views and i obviously can not speak for everyone.

(Nov 17, 2013 11:40 AM)Dark Wizard Wrote: [\[CITE\]](#) CASH FLOW - REVIEW by Dark Wizard

This is a decent eBook that can help you generate that extra cash that you're obviously looking for.

Content (8/10)

It's a pretty simple and easy written eBook that even though it's "simple" contains all information necessary. Nice font size and is easy to read which I personally like in a eBook.

Grammar (9/10)

Couldn't really find anything to complain about.

Originality (5/10)

I'm not going to rank the method as highly original because I'm already aware of this method that the author will teach you to do. That doesn't mean that the method isn't good it's actually quite a good one and also very easy to do especially for beginners.

Ease of use (10/10)

The method the author will teach you is very easy to set up so for me it's easy 10 of out 10 it's noob friendly.

Overall (9/10)

Pretty good eBook shouldn't be hard for anyone to use the method mentioned. I can't see you fail unless you don't follow the author's instructions or have some serious bad luck.

I recommend this eBook for people looking for a easy way to make some money. Highly recommended for beginners!

FAQ:

Does this involve shipping physical items?

Spoiler ([Click to View](#))No. Virtual items only.

Will customers be dissatisfied?

Spoiler ([Click to View](#))No, as long as you stick to your promised delivery deadlines.

Is this scamming or lying to people?

Spoiler ([Click to View](#))Not at all. You are simply selling a popular virtual good.

Will this get my eBay/PayPal limited?

Spoiler ([Click to View](#))No. I've been using this method for a long time and have made nearly 60 sales and I've had zero issues. If your PayPal isn't verified and your eBay account doesn't at least 5 positive feedback, your funds may be temporarily held and released when your buyer leaves feedback.

After purchase, please follow the link in the enclosed PDF and contact me by PM or Skype with the requested information to receive your unique login to access the eBook.

Terms of Sale and Service:

- I cannot be held responsible for any negative effects resulting from the use of this eBook.
- Refunds are at my discretion.
- Unauthorized sharing or resale of this eBook is STRICTLY FORBIDDEN.
- This eBook is protected from unauthorized sharing. It is also copyrighted. Unauthorized sharing will make you liable to legal action.
- Chargebacks will lead to a scam report and further action will be taken.

D4rk0 - November 14, 2013, 11:22 am

I am in no way affiliated with Nyan Cat, this is not an official review.

Quality: 6/10

This ebook is not original, I have seen this method before, there are youtube tutorials on it and I think people even have posted threads on HF about it. However, the OP does give you a detailed run-through on how to do it.

Ease of use: 8/10

It is not auto pilot and if you are a seller on eBay then you should have no difficulties doing this. However, although the method isn't known by a lot of people, you do have a fairly big portion of competition.

Grammar: Average/Good

As I am not a professional English teacher I can not say this for sure, but I had no difficulties reading the ebook and following along was pretty easy.

Layout: 7/10

Lay-out is pretty good, it is a pdf file, headings are used and paragraphs are made, links are used. No index page and no pictures. However, I dislike the font used.

Overall: 7/10

So the method is not known by a lot of people but you are dealing with a rather big group of competition when making money.

Please do note: This method is little grey-hat. You are not doing immoral things or scamming people.

With that said, GLWS!

Fernet - November 18, 2013, 8:09 pm

Involves selling a high price virtual item, people buy from their mobile, they cant read the description and you send a paper with instructions of HOW to get that item instead of the item itself?

Nathann22 - November 18, 2013, 9:09 pm

(Nov 18, 2013 09:09 PM)Fernet Wrote: [\[CITE\]](#) Involves selling a high price virtual item, people buy from their mobile, they cant read the description and you send a paper with instructions of HOW to get that item instead of the item itself?

Doesn't involve that at all.

It's actually a pretty legit method.

Nyan Cat - November 18, 2013, 10:50 pm

(Nov 18, 2013 09:09 PM)Fernet Wrote: [\[CITE\]](#) Involves selling a high price virtual item, people buy from their mobile, they cant read the description and you send a paper with instructions of HOW to get that item instead of the item itself?

If you look at the payment proof (especially the eBay one), it would be impossible for that to be the case.

This eBook is light greyhat, not fully blackhat.

If you have any further questions, post here, PM me or add my on Skype. :)

Maffianoz - November 19, 2013, 4:36 pm

Could I get problems using this method?

How much can you earn?

Is this item you are selling asked by many people? Will people buy this?

How do you get this item and make 200-300 if it doesn't need any investment.

Nyan Cat - November 19, 2013, 10:41 pm

(Nov 19, 2013 05:36 PM)Maffianoz Wrote: [\[CITE\]](#) Could I get problems using this method?

How much can you earn?

Is this item you are selling asked by many people? Will people buy this?

How do you get this item and make 200-300 if it doesn't need any investment.

1. No, read the faq.
2. Depends on your eBay account selling limits. I earn around \$200 on the average day because I have no selling limits.
3. Yes, it's a popular product. You can expect 2-3 sales a day minimum with a new eBay account with 0 feedback. Much more if you have lots of feedback and a good listing.
4. I can't say anything about that, it's outlined in the ebook. If you're still not sure look at the vouches and reviews.

Rayzah - November 20, 2013, 12:48 am

Have added your skype man, hope to talk soon.

zomgkenny - November 20, 2013, 11:06 pm

Last question before I buy, does this have anything to do with AutoCad or software stuff?

Nyan Cat - November 20, 2013, 11:57 pm

(Nov 21, 2013 12:06 AM)zomgkenny Wrote: [\[CITE\]](#) Last question before I buy, does this have anything to do with AutoCad or software stuff?

No, there are other methods in the new update.

Nyan Cat - November 23, 2013, 2:03 am

Due to recent heavy snowfall in my area, I have very limited Internet access. All support queries and ebook deliveries will be fulfilled ASAP. Sorry for the delay.

Sparky - November 24, 2013, 8:07 am

In the OP it says you'll give out 3 vouch copies. Could I get one?

Fernet - November 24, 2013, 10:50 am

Buying the Gold Package, in the worst case i can't earn, how much will take to help me earn the \$100?

Nyan Cat - November 24, 2013, 11:47 am

(Nov 24, 2013 11:50 AM)Fernet Wrote: [\[CITE\]](#) Buying the Gold Package, in the worst case i can't earn, how much will take to help me earn the \$100?

It personally takes me a maximum of a day to earn \$100. My most recent use of this method got me \$200 within 12 hours.

a1eks_ - November 24, 2013, 1:28 pm

You cannot get negative feedback and your account will not be in any danger.

It does involve selling software, but it is not windows keys or other bannable software types.

The eBook tells you how to get the good you're selling, and it doesn't require investment.

You can hit \$100 a day almost instantly, just depends on the day.

There will be no tracking numbers involved, you just need to ask your buyers to leave feedback to get your money faster (I wait an average of 3 days before my funds are unlocked.)

The items can be sold anywhere between \$30 to \$75.

Fernet - December 4, 2013, 4:12 pm

Still waiting for his answer in Skype day ago, i paid \$50 and still no have support to reach the \$100, cause there's something a newbie with eBay like me will never know and he never told me before buy it.

I've answered you on Skype several times and you haven't answered me. Your issue has nothing to do with my eBook and it's not something I can help you with. My method works and you're the only customer complaining at the moment..

You specifically told me before buying that your eBay had no seller limits, and I mentioned that the method is a bit harder if you have seller limits.

I'm not an eBay administrator, I can't help you with selling limits.

I haven't stopped providing you support either, you're just asking me the same thing over and over again.

Fernet - December 8, 2013, 10:03 am

I have a question about your Cash flow Ebook. does this require to use your own money to buy things and resell? If you dont feel like i should know that does it require your own money.

Nyan Cat - September 27, 2014, 1:56 am

(Sep 14, 2014 02:30 PM)Fully Stacked Bitch Wrote: [\[CITE\]](#) I have a question about your Cash flow Ebook. does this require to use your own money to buy things and resell? If you dont feel like i should know that does it require your own money.

It does not require any investment, the description states this. What you earn is pure profit, you don't have to buy anything. You keep every last cent of what you earn (apart from eBay/PayPal fees of course.)

Nyan Cat - June 10, 2016, 1:03 pm

This method still works and is still available for sale.
