Damn bro, good stuff. I still have \$70.00 saved up in Amazon Gift Cards :p I have \$230.00 saved up right now, I am hoping to get \$45 more in 2 days that way I can buy another sticky and still have \$250.00 left over. I can't exactly say what I am going to do with my money but it's not going to be spent on myself.
