Thread: [My first deface haha](#)

iMalware - November 23, 2013, 10:11 am

Thread is removed because of ignorant fags.

3 Kings - November 23, 2013, 10:13 am

thats a free hosting site... (How did you go about defacing it?) **Probably just made his own forum and put his deface up lol.

Not the case at all ??? Yes he could of done that, but I've defaced countless sites hosted for free on SPAM.

~Arcane ?

iMalware - November 23, 2013, 10:14 am

I didn't make it. I got admin by the owner for installing a theme then i replaced his index with my deface

So he gave you the password..?

~Arcane ?

iMalware - November 23, 2013, 10:18 am

No he promoted me to admin for me to install a theme for him

Silly move on his part then, even though no exploiting took place.

~Arcane ?

Shot Caller - November 23, 2013, 10:20 am

Then why did you put at the bottom about improving his security lulz when you asked him to make you admin, this is more of a dick move then anything bro.

m4dh4ck3r - November 23, 2013, 10:21 am

Good Luck improving your security, Bad Luck ?

iMalware - November 23, 2013, 10:21 am

I just got this deface page by some random site and just put it there

???I?? - November 23, 2013, 10:22 am

Thats why his rep is like this haha

iMalware - November 23, 2013, 10:25 am

I'm tired of this rep shit. Who cares?
