Thread: [\\$300 PayPal OR Bitcoin \[Potentially more than \\$300 for projects\]](#)

D?vil - November 23, 2013, 10:15 am

I am looking for anything, I just want to see if there is anything interesting. I have around \$300 that I am looking to put towards something good.

I am also looking to purchase completed projects, or almost completed. The price for these is not set to be under \$300, so HMU if you have any projects that you are looking to sell.

What I do NOT want:

eBooks

Crypters/Booters

Gamertags/OG names for any website/program

Obli - November 23, 2013, 10:39 am

I have the domain name MyBBForums.org (Very OG domain)

It has a lot of potential, if I had time, I would not sell it.

You can place a bid on my thread or Buy it now for \$120:
