Thread: [ULTIMATE VIRUS BUILDER - CREATE YOUR VIRUS IN SECONDS ! \[MEDIAFIRE\]](#)

.Epix. - November 23, 2013, 10:28 am

Information:

The next generation of virus builders has finally arrived. Ultimate Virus Builder offers you more than 50 options to customize your virus to your likings. You can even select your own icon for your virus ! Not only does this tool allow you to create your own virusses, it can also help you spoof the extension of any file with the built in extension spoofer ! Ultimate Virus Builder has an automatic update system, so you'll never have to worry about downloading the latest version, isn't that awesome? You don't need to be a computer 'geek' to create virusses, all you need is Ultimate Virus Builder.

Options:

Custom message on execution

Add to startup

Disable clipboard

Disable taskmanager

Disable CMD

Disable System Repair

Disable Msconfig

Disable Explorer

Disable Regedit

Switch mouse buttons

Hide taskbar

Disconnect from the internet

Many more !

Well then where did you get the link and the exact text he used in the thread

.Epix. - November 23, 2013, 10:56 am

On some website,i used this program,and searched on google,and found some website and copy-ed :S

So you just decided to re-copy it

Not even give credit or say it's not yours

Stealing someones work.
That's not right.

Shiva2142 - November 23, 2013, 12:31 pm

Seems not legit programm already exists :-/

Im agree with you man . But is really nice.

Profety - November 23, 2013, 4:16 pm

How can staff get this thread banned?
Can't report him.

He has been reported but staff aren't doing shit about it

Have no idea why

DarK-D3v!L - November 23, 2013, 11:57 pm

Lol lol and lol shitty batch generator ^^
Perfectly useless and without a virus scan , no one will download it . . .
Best regards

nextbeats12 - July 27, 2014, 6:00 am

sounds really interesting i will like to know more about how to spread it fast and infect slaves

clarencehsu1234 - August 16, 2014, 6:23 am

sweet thanks! So EPIC haha now i can prank mai friends

Hello . I'll like to create a screen reader virus . Can you do it . If so , Is there a way I can contact you privately.
Thanks
