Thread: [Looking for VPN in Germany](#)

AtlasChild - November 28, 2013, 12:19 pm

Hi,

Im looking for VPN in Germany with lot of IP's and the ability to swith between them

I'll use them to complete some DE offers

Im not interested in other locations

If some one can offer me such service please reply here or pm me your offers

Thanks

Im looking for service just like HMA do, 7 server in germany with about 128 shared IP on each serve

If you had just one server with 20/30 shared Ip's count me as one of your clients ?

No VPN on HF will be able to provide you with that.
