Freddy's 100\$ Steam Contest

About

I was going to buy donator awards with this money but it's safe to say that giving back to the community is better than a few pixels on the right side of my posts so I'll do this instead. I'll basically be giving away 100\$ worth of steam games of the recipients choosing to one lucky member.

How to participate

To participate post below stating that you would like to enter (posts not saying they want to enter will not be entered) and post why you deserve 100\$ worth of steam games.

How the winner will be chosen

The winner will be chosen via Random.org depending on the post number

RulesAny member may apply, I don't care if you have 20k posts or signed up today.

I have the right to deny you and re-roll if I feel the need to do so for any reason.

If you do not say that you're entering in your post then it won't count as an entry.

If the winner is banned at the end date of the contest then I'll roll again.

A small request

This isn't really a rule or anything like that, it's just a small request.

This contest is aimed at members who are a bit poor and can't really afford games, if you make 1000\$ a month or something like that then please don't enter this contest, I won't really stop you if you do though.

End Date: Duo to me having some financial issues, the contest will end a month later on the first of February, this is me having some financial issues. Sorry for the inconvenience.

Congratulations [Infinity](#) on the win!

Infinity. - November 29, 2013, 4:19 am

Just a quick Question!

Would you add funds in our wallet ?

If i am the winner I'd like to buy items(100\$ worth ofc) of A Specific game! , If that's allowed , I'd like to Enter ?

Thanks bro for the contest!

Izanami - November 29, 2013, 4:20 am

I'd like to enter this competition because I'm lacking games in my steam account, thus not making much money on the Internet, :\

Nate - November 29, 2013, 4:21 am

I deserve to get this price because, I have been a very valued member of the communitiy especially the gaming.

3 out of my 5 Top Posts are in Gaming Forums. You can go check that out. I do so much for the gaming sections as World of Warcraft, and Counter Strike. I would like this because honestly I am getting bored of these 2 games, and this would save me from my own spending that I would rather be using something else. Thanks alot Freddy. I hope I win, and Good luck to everyone else,

I'm not sure if gifting money through the steam wallet is possible, if you trust me with your steam account then I'll add them to your steam wallet.

Good luck. ?

Spyware - November 29, 2013, 4:22 am

Freddy, I would like to enter this.

Would love to win some new games. Sadly Black friday showed up and pay day is next friday so all I was able to grab was a copy of GTA V. So I would love a new steam title. ^_^

Football - November 29, 2013, 4:22 am

This would be a great opportunity for me to enter this contest. :)

I deserve this because all my friends have steam games and i dont. They usually play dayZ and im left out.

Hope i win this contest.

GL to anyone who enters. ?

Jamie Foxx - November 29, 2013, 4:23 am

I'd like to enter!!

I make like, \$50 a month online, and I pretty much only have indie games purchased from bundles on my Steam account.

I'd spend some of 'em to finally get Counter-Strike Source ...

Thank you for doing this, even if I don't win.

1n9i9c7om - November 29, 2013, 4:34 am

I'd like to enter this contest because I'm just 16 yo and I can't really afford games on Steam - all the games on my steam are gifts or humble bundles. D;

It's very kind of you to do this giveaway, good luck to everybody.

Ofc I trust you bro! And yeah I'll be participating this one!

Hope I win, I was needing some funds on Steam so..!

Thanks once again bro!

13abyknight - November 29, 2013, 4:40 am

I'd like to enter this contest because I'm can't directly buy games off steam and it would be nice if you gave me some for free!

Thanks for the contest.

Killer. - November 29, 2013, 4:44 am

I'd like to enter this contest.

I would like to state that I'm neither rich nor poor and that I've already purchased some games from the Autumn sale, but there are some other games which I'd like to buy but I can't afford at the moment(Like SR4 etc.). So yeah, this is the reason why I want to win this contest. Good luck to everyone!

?nxy - November 29, 2013, 5:28 am

Great contest Freddy Kru?ger! I respect what you are doing for the community. ?

Delevingne - November 29, 2013, 5:33 am

With this post I enter this contest.

Thank you for this opportunity!

Im gone brah - November 29, 2013, 7:55 am

I recently started playing counterstrike global offensive, and would love to take part in the 'skin industry' call it what you want.

I mean, I would love to get a few new games as well, as I want counter-strike: global offensive skins.

As stated above, in a previous post, I would love to have the money added directly if I get a chance to win, by that.. I could buy what game and other steam related things that I want.

Why I deserve to win, would basically that in my own "personal opinion" - I've putted my own feelings, effort and I've helped alot of users. I might not be the most 'valued' member here, but that doesn't mean that someone else is worth more then me.

I have the same rights as anyone else here, and it's very, very kind by you for giving me the chance to take part in this competition.

\$100 is a lot of money and could do very good things for anyone, that is in need of it.

Thank you very much.

Kind regards
- Zayne

KOOMZ - November 29, 2013, 8:07 am

I'd like the \$100 of Steam games because I want to do YouTube video lets plays but I have no games to play, hopefully if I keep doing videos YouTube may be my job and this will assist me.

Thanks for giveaway sexy! :)

Decrypt0r - November 29, 2013, 8:09 am

I would love the gift to buy some steam games to keep my kids entertained!

Emylbus - November 29, 2013, 8:10 am

I'd like to enter on behalf of one of my very close friends in real life. Most of my friends and I play video games to keep in touch with eachother across the country and we've been really getting into a game that this friend can't afford to buy right now. When we're with him we play TF2 or some other free game, but he definitely feels like a third wheel and that he's left out of our other gaming experience. This guy is insanely nice to the point where it sometimes gets annoying that he unintentionally makes the rest of us bad for not helping a little girl pick up a bag of stuff she dropped. While he doesn't really need the money because we could always play a free to play game with him, I know he'd be insanely happy to receive an early christmas present like this.

yoloswag420amirite - November 29, 2013, 8:15 am

I'd like to enter because gaming would be a way to stay in touch with all my friends, I'm currently working 2 jobs and am barely making ends meet, and have no way of being able to buy games, the only game I've been able to play is TF2, since it was free. Thanks and gl everyone!

Fresh Money - November 29, 2013, 8:18 am

I'd like to participate in this contest, I could really use the 100%! Goodluck to all!

VanquishingAle - November 29, 2013, 8:28 am

I would like to enter this contest. I haven't bought any games in the past year due to having almost no money and it would be nice to get back into gaming with \$100.

Yurt - November 29, 2013, 8:30 am

I deserve this money, because well I am very poor and don't make any money whatsoever, so I wont be able to buy christmas presents for my brother... So if I win on the first of January I can still get him a late christmas present! So yeah, thank you for the opportunity!

Death_Wish - November 29, 2013, 8:36 am

I'd like to enter.

I think I should win because I'd quite like to buy something nice for relatives and friends this christmas, thanks for the contest and goodluck to all.

Suboptimal - November 29, 2013, 8:43 am

Count me in.Thanks for the contest man!

Truth Will Out - November 29, 2013, 8:45 am

I would like to enter, I have been spending most of my money on outdoor things and i have like no video games on steam besides gmod and csgo. Thanks for your time

Bimjee - November 29, 2013, 8:47 am

I would love to enter. so i finally can try some new games :)
Thanks for doing this.

Ezeckiel10 - November 29, 2013, 9:31 am

I would like to enter this contest... I really need this to purchase some dota 2 stuffs... Thanks.

Kids? - November 29, 2013, 10:01 am

I would like to enter :)

Thanks for the contest Freddy!

Maxorg - November 29, 2013, 10:06 am

I'd like to enter this contest and I think I deserve this because I'm a highly addictive gamer and I don't really have much games to play when I'm on vacation because I'm literally broke and it gets really boring and I have nothing else to do.

ayieclassic - November 29, 2013, 10:07 am

I want to participate in this contest because, almost all the good games that I want very expensive, and often when there is a promo I'm not always have the budget to buy, this is a good opportunity for me to achieve the dream of having a good game games

Alanay - November 29, 2013, 12:24 pm

I'd like to participate, hopefully I win so I don't get yelled at for spending too much on games. :D

Blax - November 29, 2013, 12:28 pm

I want to enter.

The reason why I deserve the 100\$; is that I'm unable to purchase any games through Steam. Not because I cannot afford them, but because Steam won't let me purchase them because the PayPal account's location I'm using is different than my real location. And that location which is Qatar doesn't have any available VPNs/proxies I can use.

Not sure if this reason makes me deserve the 100\$. But if I would have those 100\$, they surely would let me buy a fair amount of Steam games.

Good luck to all other participants.

?NoShame - November 29, 2013, 1:18 pm

I'd love to join this contest OP, I literally only have humble bundle on my steam and a CoD Ghost that I bought at half the price, hehe.

I would really love to win this as there's a lot of steam games that I would die to buy but don't have the money to.

Thanks once again bro, and have a good day!

Delusional - November 29, 2013, 2:26 pm

I would like to join to this contest for the following reason: I'd like to play some old school games, I'm a kind of old school guy. I bought games only once about 4 years ago it was CS 1.6, Other games all have I got from contest or hard work from redeem sites. Thank you!

Freddy Kru?ger - November 29, 2013, 9:46 pm

Remember if you're banned you won't win, play nice.

Roger Waters - November 29, 2013, 9:48 pm

I would love to enter this contest! I would buy a couple games for me and my friends. Been really wanting to play a game called Astronaut Engineer!

Yato - November 29, 2013, 10:19 pm

Id like to enter the contest because i'm unable to support my gaming habit. Sometimes i get bored and have to play minesweeper because Tf2 and Garry's Mod doesn't cut it. Also with all the sales going on i could get some more games with the money.

Thanks man, really appreciate it

msb0404 - November 29, 2013, 10:36 pm

I would love to enter this contest. I can't afford to buy any new games.. been playing only 3 games that I have for about a year.

Dolan Duck - November 30, 2013, 3:59 am

I'd like to win this giveaway because I want to broaden my variety of games that I play.

ComSci.IR - November 30, 2013, 8:29 am

I'd like to enter and I think I deserve this because I want to play COD Ghosts and some other random simulator games (like euro truck simulator) after studying a whole day, which is what I'll be doing the next couple of months with my exams coming up :P

MFFS - November 30, 2013, 10:21 am

I would like to enter..

There is no any special reason why i deserve it, or why am i so special or something..

I am just normal Balkan guy who don't have enough money to spend on games and who can barely make ends meet.

Thanks for this contest and good luck all!

SI?th - November 30, 2013, 10:37 am

I would really like to join this if it is still going. I am unable to afford games right now because I lost my job. This sucks because I am a pretty avid gamer.

Good luck to everyone!

I would like to enter.

I have recently bought a new gaming pc and I'm pretty much broke to buy games now.

And 100\$ worth of steam games is a lot.

Thanks for hosting this give away.

Good luck to everyone who enters.

eightz - December 1, 2013, 1:08 pm

I Think I deserve to win this contest simply because I'm a gamer, yes I also have a Gaming PC, and my old steam account was hacked, and I wasn't able to recover it. I lost only \$26 valued games but I bought them at the summer sale. I created a new steam of course, but I haven't been able to make money online and wasted most of my money on non-working ebooks, which are saturated, I plan to get a job soon so I won't have to ask for money from good people like you, and can rely on myself. This is why I deserve to win this contest. On a second thought, I don't deserve to win anything, but it will feel good to know I won a contest from Empire! Especially something I'm interested in, so please let me know! :)

Generic Username - December 1, 2013, 1:20 pm

Stone_Cursed - December 9, 2013, 7:36 am

First of all, I would like to enter this giveaway. Why? Because I love Steam. Not just the games but the concept and the idea of having your own library of games without the need of a physical copy of them, or having them stored in your computer when you don't want to play them.

I try to purchase every single Humble Bundle to get some games up there and after 2 years of this I have reached 107 games for a total cost of about USD 9\$.

100\$ worth of Steam Games would be an amazing Christmas/ New Year present.

Thank you for creating this giveaway!

I'd like 100\$ steam wallet because I'm actually pretty poor in regards to money. Every year, me and my friends do a christmas gift to each other, I only just managed to pull through it. I'm not making barely any money on the internet despite having bought a few ebooks, none of which have helped me.

If you want, you don't have to give me the full 100\$ if you dont want to, I'd rather have something than nothing.

Thanks OP, this is a really nice contest.

Thanks for the contest Goodluck everyone

Freddy Kru?ger - December 13, 2013, 10:23 pm

Just a reminder, this is still open. Feel free to enter. ^^

Auxil - December 13, 2013, 11:28 pm

I would love to enter.

Just so you know, I have never made money online, nor ever in real life either. I do not have a job anymore, as where I worked, went out of business.

I am 16 years old, and won this L33T in a contest. Also, Christmas break is coming up. \$100 worth of games would be amazing.

Online Sir - December 13, 2013, 11:47 pm

I would like to enter this contest because I am less fortunate to buy games. This will be a great help!

Thanks for this contest!

justinis - December 14, 2013, 12:47 am

I would love to enter in this awesome contest!

I deserve the \$100 Steam games because I never had a chance to put my money towards Steam games... now, I feel as if I should, but I don't want to take the risk of spending my money because I don't know if people will dispute and if I'll get scammed again or what not...

There's a variety of reasons of why I deserve this, but I think the main one is mentioned above.

Denitorious - December 20, 2013, 7:45 pm

I would love to enter this contest as my head is full of different games when I imagine 100\$ converted to games.. My whole wishlist would be granted a wish-come-true experience. <3

Great contest, OP!

Jewel - December 23, 2013, 10:59 pm

I would like to enter this because I can't really afford a lot of games as I'm only 16 .. I would like to be able to afford games that are more than \$20 like telltale games because usually I can only buy games less than \$5

Zink - December 23, 2013, 11:40 pm

I would like to participate in this man, i have a steam account with no games in it, and my new computer is getting bored from league of legends.

iNuke - December 26, 2013, 2:08 pm

I would like to enter.

I can't not tell you if I deserve it or not, I can only help you decide if I do deserve it or not. I must deserve it less than some people, for sure. You can check my contributions if you wish to. You know me a bit, so you should know if I deserve it or not. I try to be helpful to anyone who need something I can do. With this money I would buy Trial Evolution, and some other games, I don't know right now.

Thank you for the kind opportunity.
Good luck to everybody. And Happy New Year!

Denverr - December 26, 2013, 2:32 pm

jacked up on coffee - December 26, 2013, 2:56 pm

I'd like to join this cause I'd like to buy some new games on steam, don't have any money at all.
Thanks in advance!

wellager - December 26, 2013, 2:57 pm

I'd like to enter this contest.

Why ?

I have the shittiest pc in the house. I can barely stay on for half an hour without bugging. But I'm not gonna try and get your pity, don't worry.

My brother has recently got a new computer able to run very recent games such as Batman Arkham Origins on low. Yes, we're poorfags, but he's still able to play them. I'm very disgusted by this fact, but he's still my brother. So, I'm joining this contest for him to enjoy a good computer, god I can't believe I'm saying this, just thinking about this pisses me off.

That was the heart-breaking story of the day. Thank you.

Zen - December 26, 2013, 4:39 pm

I love you Freddy <3 Thanks for the contest!

Denitorious - December 26, 2013, 4:42 pm

I can extend my contest, I received word from a mentor that I'm able to do it.

I'm not "refusing to pay", I'm simply in a situation where I'm very financially unstable and am unable to pay this month.

Your post is false as he will complete his contest, just at a later date. It's not like it is a fake contest, it will just end at a later date ue to his financial issues which are not his fault.

OP: Don't take what Sam said to hear, it's just his time of the month.

And for the members who just insulted me, get a grip. This won't increase your chances to win. I'm able to fulfil my contest at the end of the month, I'd just be in a really tight pickle. Which is why I'm asking if I could extend it which I got the OK for. I don't see why you're so upset about it.

Infinity. - December 30, 2013, 1:39 pm

Anyways , even if you not fulfil your contest, no one's gonna do anything about it, Happened with me! Reported a lot to Admins, still nothing , So you just chill freddy.

It matters not. All that matters is that a Mentor gave him permission to.

Nas - December 30, 2013, 8:22 pm

No mentor gave him permission, he thought Hex was a mentor.

This is not a fake contest, he just extended the due date which he is allowed to.

EDIT: Also Sam stop trying to be a wannabe-mentor.

That isn't true. I haven't seen one member get away with not fulfilling there contest if it was reported. Omni takes it seriously and sam is right you can't extend the contest as far as I'm aware.

Yup, Freddy is whom I trust 100% , Everyone goes through Life's tough times !

Locklyon - December 31, 2013, 6:39 am

The reason why I deserve to get \$100 worth of steam games is: I don't really have any valued game at the moment and i couldn't play any game this last summer because i didn't have any to play..

andy02 - December 31, 2013, 6:42 am

Hey Freddy Krueger,

I want to enter this, i dont have the money to buy the games,

You can make me so happy ;) I only play freegames, because i dont have the money to afford it.

.vemla - December 31, 2013, 7:19 am

Why I should win?

No one said to me even "Merry Christmas" on New Years Eve which was a few days ago.

My mom has problems in their life when my father has passed away and we live in a small apartment and trying to live. I have no friends around me. No social life at all, all I have is my computer.

I have some Skype buddies that I usually talk to but now my headset broke so I can no longer talk to them like I usually do. Mom has promised me several times that she gonna buy me a new headset but she always made up any excuse to why she can't buy it.

I have thousands of wishes in my life but 99% out of all the wishes I have becomes unreal. I'm tired of my life, I've tried to kill myself several times, and no I 'm really not proud of these words I'm saying now.

I just get more and more depressed out everything negative that people do and say to me.

Sometimes it feels like I have no sense at all in this world and I know that people today are cruelly selfish.

I've been let down, dumped etc and frankly I can't take much more.

My life is simply worthless.

I wish I could win this contest so I can afford to buy DayZ because I usually look at Twitch.tv when they stream the game and it looks really exciting out there, I have also the possibility to maybe get to know anyone there.

GTA 5 is also a wish that I have, but now that I only have PC I can't get it, it 's only for consoles and not for PC.

Now it's New Year as you all probably already know, and I'm in front of the computer ... And mom is drunk as always...

My New Year is useless as always.

And no, I don't conjure now just to win.

I felt like to write down me a little just now, thank you for read everything I wrote and hope you guys understand me right.

All of us are different, it's just like that. It would not be interesting if we were all alike.

Wishing everyone the best of luck and congratulations to the person who wins!

Take care all and Happy New Year!

Cheers! ?
