I would honestly have to say this is a pretty decent piece for 5 dollars. I would recommend purchasing it.

All I would have to do is put some music on there and we are set! (Dec 5, 2013 05:26 PM)Neon Light Wrote: [\[CITE\]](#) Vouch for this guy! Legit, good talent! Thank you :)

My portfolio comes out in GIF format to show my works.

You will receive purchases in Dropbox Format!

Alright, I gave you three options for your first intro because the request you made is simply impossible for me to do without making it look like 1990's graphics.
