Turnover - December 1, 2013, 3:05 pm

Vouches:

Spoiler ([Click to View](#))

(Dec 1, 2013 05:38 PM)Toak Wrote: [\[CITE\]](#) I was kindly asked to do a short review on this e-book and gladly accepted, so here we go.

Quality - 10/10 - As for the quality, I found it a great method that is for sure going to make a profit without too much overwhelming work. I've honestly never seen a truthful e-book that's so simple that will make double your investment or more.

Grammar - 9/10 - There are a few mistakes, but it does not take away from understanding the method.

Originality - 10/10 - I have never seen this method around HF or any other website for that matter. With this you can assure yourself it will not ever saturate. You will always make a profit.

Overall - 9/10 - I can conclude this is an e-book worth purchasing. It WILL make you profit, and you can do whatever while doing this on the side.

The more money you invest, the more you make and the easier it gets. That's guaranteed.

(Dec 1, 2013 08:05 PM)Invisus Wrote: [\[CITE\]](#) I was kindly asked to do a short review on this e-book and gladly accepted, so here we go.

Quality - 5/10 - The eBook has it's flaws and misses things here and there. Some things could be better and everything seems a bit rushed. Granted that the method works this is a method that will earn profit.

Grammar - 5/10 - A bit cluttered, but you get the basic idea of what is being said.

Originality - 7/10 - I haven't seen this method before and if it works as the book states (I haven't bothered to check) then there is actual profit to be made. It's quite simple and genius if it works, for people who want to make small money.

Overall - 6/10 - IF everything in this book works as promised you will actually get an income for rather simple work.

(Dec 3, 2013 09:09 PM)Ty TM Wrote: [\[CITE\]](#) Hello, My name is Ty TM and I am here to review this user's eBook.

I do not know this user personally and this review is based on my opinion

Method - 8/10 - The method is %100 fail proof, It is easy to understand and can make you very profitable. You make a steady income but profits could be a bit higher with some modification.

Grammer and eBook Layout - 9.5/10 - This eBook is written very well and has little to no spelling

mistakes. This eBook has a very nice layout with examples of the method.

Overall - 9/10 - This eBook is amazing. It is priced very cheaply for the quality you would be receiving. The method is amazing and is fail proof and if you get a problem I bet Mirdude will fix it.

(Dec 3, 2013 11:20 PM)Vers?ce Wrote: [\[CITE\]](#) This is a method that surely works, although I've seen this method before. Although I'm pretty sure this method is against the T.O.S of the companies that you mentioned in your E-book. Either way, if it isnt against their T.O.S and you don't get caught anyways, you should make a pretty decent sum of money. I vouch for this E-book.

(Dec 4, 2013 11:21 PM)?Cloud Wrote: [\[CITE\]](#) This is a pretty unique method that could potentially work depending on how things work out. It requires a bit of work but once you get the hang of it, you can make a decent profit. Not sure if this is against the ToS of any PPD companies though. I haven't tried it personally but it should work.

(Dec 7, 2013 02:05 PM)Trukfit Wrote: [\[CITE\]](#) I have read over this document and all that I can say is that it's has got huge potential. This can defiantly work out a huge bank.

(Dec 17, 2013 09:49 AM)Cute Wrote: [\[CITE\]](#) This ebook is nice I bought it and have made a fair bit already.

Payment proof below:

Spoiler [\(Click to View\)](#)

Mirdude.

UPDATE: \$49.99 for gold package, no updates but refund available.

Silver package is \$19.99.

Bronze package is \$14.99.

I've sold a few on other sites and customers are happy.

(Dec 1, 2013 08:12 PM)Nookie Wrote: [\[CITE\]](#) GLWS man!User is legit & trusted! ?

Thanks bro, appreciate it- sales on guys!

Gave out about a few vouch copies- no more available.

As you can see the originality has a high rating, it's an unsaturated method.

Turnover - December 3, 2013, 10:20 am

Get this offer while you can guys- amazing deal.

Added a new thread layout guys- much easier now.

JoshAllen - December 3, 2013, 8:09 pm

You may have seen something similar I this, it isn't again any ToS- anyway thanks for the review.

(Dec 3, 2013 11:49 PM)???- Mr. Derp Herp -??? Wrote: [\[CITE\]](#) Around how much of an investment is needed?

Depends really, a higher investment means you will gain a higher profit. \$5 start up will earn you a decent amount of money to begin with though.

?Cloud - December 4, 2013, 10:21 pm

This is a pretty unique method that could potentially work depending on how things work out. It requires a bit of work but once you get the hang of it, you can make a decent profit. Not sure if this is against the ToS of any PPD companies though. I haven't tried it personally but it should work.

Turnover - December 5, 2013, 9:23 am

Ever heard of marketing mate? Forward it to whom you wish, I have not broken any rules- PMed the user telling him that my eBook is cheaper and the reviews are more HQ- so I'm not fussed sir. The Admins can not tell me not to PM users because it's not against the rules- don't ruin my sales thread...

CARBON FIBER - December 8, 2013, 4:01 pm

Looks like a very nice method. Do not hesitate to deal with mirdude, I have done business with him in a trade where I went first.

Turnover - December 8, 2013, 4:02 pm

Cheers bro, thanks for the vouch man.

Fernet - December 17, 2013, 1:03 pm

Seems involves PPD sites. Its Blackhat? Need to talk/chat with people? Some use of SE? Works worldwide? Investing \$200 how much could earn?

CSGO FTW - December 17, 2013, 1:35 pm

does your eBook involve any of the following?

FaceBook
Twitter
Youtube
Myspace
Skype
Getting referrals
an investment
fiveer
eWhoring
DDoSing
Typing
Writing
leaving my house
leaving my room
talking to someone
SEing anyone
Making an account on a website
downloading anything
selling anything
setting up a domain
setting up hosting
setting up a website
PPD
PPC
PPI
CPA
listing to music
coding
making GFX
completing surveys?
ebay
amazon
crypto mining

Turnover - December 17, 2013, 1:44 pm

Nothing blackhat or illegal, requires small investment- that's all.

(Dec 17, 2013 02:03 PM)Fernet Wrote: [\[CITE\]](#) Seems involves PPD sites. Its Blackhat? Need to talk/chat with people? Some use of SE? Works worldwide? Investing \$200 how much could earn?
I'm not entirely sure, depends really how many hours you spend going back and checking and stuff like that. I'd say a good \$500 in a week at least, although no guarantees. There are HQ reviews and vouches on my thread, it's not Blackhat at all.

Turnover - December 18, 2013, 4:23 pm

Christmas sale is on guys- 10% off purchases, not taking PayPal at the moment.

Offering a small additional price off for AGC UK- 15% off from there.
