Thread: [Official Group Innovation- Gaming leader needed.](#)

+Pirate - December 2, 2013, 4:15 am

Think you have what it takes to be the Gaming leader of Innovation? PM me an application and we'll see.

Requirements:

At least 500 posts.

Ub3r.

Account must be older than 3 months.

Positive rep.

High-quality posts/threads.

Commitment.

Proof of your gaming & leadership abilities.

Other than that, the application is up to you. Make sure you put effort into it though, a one-sentence application won't do.

Do not post questions, queries, statements or opinions in this thread. Keep it in PM or it'll be reported for off-topic.

Thank you.

Hello, good thing on making new leader, but, I will now write an application; an application (Let's see who gets it.)

OT: Hope you pick the right one!

Stapleton - December 2, 2013, 8:16 am

Good Luck finding a thread. Never knew that Innovation had a Gaming sector.

Maxorg - December 2, 2013, 9:12 am

I'll be contacting you about this as I'm into the gaming and I'll be able to do this.

(Dec 2, 2013 03:00 PM)Logan™ Wrote: [\[CITE\]](#) Hey Pirate, as an already active Innovation Marketing member, I would like to apply to become a Gaming Leader.

I have lived around Video Games all my life. from deleting my parents SNES save files at the age of 3, and getting yelled at every time. To the insane amount of hours I currently spend gaming, and the insane amounts of money I spend on gaming ;). I have always had some sort of gaming console at my disposal. From the time I could walk my parents had the SNES, on my 5th birthday I recieved a GameBoy Advance with Mario Kart, was the shit, virtually never left my hands for a good year. 6th Birthday I got a playstation 1. By then it was pretty outdated (the ps2 was out) so I was a little

disappointed, but still gamed hard on it. PS2 age 8, 360 Age 13, and now at the age of 16 I have built my epic PC Gaming rig.

I believe I would prove to be a great leader for the Innovation gamers, as I already know them. already being a member of the group means I have already been interacting with these guys on a daily basis, and I won't hesitate to do so with anyone else who decides to apply. I also believe that my extensive amount of knowledge on video games in almost all genres, across all consoles will prove to be valuable in group discussion, and when planning events such as game nights.

Thank you for reading my application, and I look forward to hearing back from you!
I believe he wants us to PM him our applications as he said in the first sentence.

257207954 - December 2, 2013, 5:24 pm

I would apply, but I don't think I have the leadership abilities which is needed.

Good luck to everyone else.

+Pirate - December 2, 2013, 9:08 pm

If you have a member in mind, get them to apply and have them include a recommendation from yourself./

Terry A. Davis - December 2, 2013, 9:50 pm

Hey what about me?? Oh wait Astonish kicked me over a little neg rep.

What an immature leader he is. He has a few members in his group that have negged him. Was I kicked because I was active? Abiding the rules? Or was it because you know your group is shit and you're the most inactive leader I have ever seen.

tl;dr Astonish your group is bad you should feel bad.

P.S. +Pirate this is no way directed at you. You're one of the best leaders I've had the pleasure of talking to on Skype. I hope you're doing good work in Innovation like always.

Also forgot to say I also set an application for teh lulz

630 - December 3, 2013, 12:11 am

I've been contemplating submitting an app. How many members do you plan bringing into the gaming sector and do you guys dislike other gaming groups or groups with gaming sectors?

Peter - December 3, 2013, 12:11 am

I would apply but I don't feel I would have the time to even host game nights.

Also to the fact that I was removed from the group when I took a vacation ban, I applied via CP and even notified JT to invite me back and nothing happen.

I don't see this group getting active anytime soon unless someone that is dedicated like Logan actually leads.

Good luck nonetheless.

Ulysses S Grant™ - December 3, 2013, 2:49 am

Let me find my application I used for skill awile back .

Mommy???????????? - December 3, 2013, 4:43 am

I will be PMing you a couple of questions and comments, lemme know what you think!

+Pirate - December 3, 2013, 5:20 am

@630, there is / was some members who we have blacklisted who have been in leadership positions in other groups, but as long as the rivalry is for the sake of fun and competition, it's all fine.

LoG?c - December 3, 2013, 6:11 am

Well, I tried my best on applying.

I wish everyone else, good luck.

Nate - December 3, 2013, 6:44 pm

SIM-888979 - December 3, 2013, 9:03 pm

There's so many gaming sectors in groups these days, I'm surprised there isn't any inter-group tournaments yet! Good luck with everyone applying.

Vince - December 3, 2013, 9:42 pm

Sent you a message with my application and list of experiences. Awesome idea looking for someone outside of your own group.

r1seN- - December 4, 2013, 7:26 am

If I was ub3r, I'd defiantly apply. Good luck to those who do apply though.
