Thread: [Cheap \[V2\] CryptoKING - Dominate the cryptocurrency market! LTC|BTC|FTC|OMC accepted](#)

**3270** - December 2, 2013, 3:02 pm

Cheaper if you buy with OMC: 100 omc

If you order via Feathercoin you get 10% Discount

Accepting OMC (omnicoin) too!

Reviews & vouches:

Cheaper if you buy with OMC: 100 omc

**apt-get money** - December 2, 2013, 3:10 pm

Do you have vouch copies available? If you do I would love to recieve one ;)

**Preydator** - December 2, 2013, 3:41 pm

I vouch for Team Chocolate™. He knows what he is doing have handled with him before.

**Benn046** - December 2, 2013, 5:05 pm

Been talking alot with Chocolate, he certainly knows what he's doing. legit for me :)

**3270** - December 3, 2013, 7:01 am

First buyer who pays with feathercoin gets the silver edition for 22 FTC

**Pow3r** - December 3, 2013, 7:16 am

I would also appreciate a vouch copy if there are any available. Thanks.

**cLopx** - December 3, 2013, 7:19 am

is this abt online trading of cryptocurrency

**Reticulum** - December 3, 2013, 7:21 am

Does this include,

1. Trading CC
2. Trading Gh/s
3. Buying/selling mining rigs

**3270** - December 3, 2013, 7:37 am

### 3. Buying/selling mining rigs

Yes these topics are included with my own techniques, there are other topics included in this eBook. It got around 3200 words and got 17 pages. And I will bring updates on it too.

I've earned 400\$ last weekend by using my own methods.

If you buy a gold package, you'll get my complete support on what to choose next.

First buyer gets a discount of 20%.

If you can't buy this eBook but still want it you can participate my contest:

<https://hackforums.net/showthread.php?tid=3903928>

Hope if answered your question well!

**lilphillog** - December 3, 2013, 12:21 pm

Will you need an extra investment after purchasing this, if so how much?

**3270** - December 3, 2013, 2:52 pm

(Dec 3, 2013 01:21 PM)lilphillog Wrote: [\[CITE\]](#) Will you need an extra investment after purchasing this, if so how much?

Investment is mostly always needed with currencies so yeah,  
this varies from 5\$ till unstoppable (depends on what you want to do)

Hello, im InfinityLord and i will be reviewing the ebook, "CryptoKing" today.

Please note that this review is based on my honest opinion regarding this ebook,  
and im in no way associated with the official Reviewers group on HF.

Quality

9/10

The quality of this is actually pretty great, the layout looks very nice and all  
the steps and instructions are presented in an orderly matter to avoid confusions for the customers.

Grammar & Writing

9/10

This ebook is well written with very few grammar mistakes. The instructions are very clear and if  
followed correctly

i dont think anyone will have any problems understanding the concept.

Ease of Use

7/10

This ebook consists of several methods you can use in order to earn a decent income from  
Cryptocurrencies.

However some of the methods involved might be a bit time consuming for some people.

So its recommended that you have good patience in order to get optimal results from these  
methods.

Originality

7/10

The methods that are mentioned in this ebook are fairly original, however i have seen similar  
methods on a few other ebooks aswell.

But this is the first ebook on HF that have released these methods.

For most of the methods you will need a initial investment, it can be any amount you want, but the  
more the investment, the more the profit.

Overall

8/10

A solid ebook to buy if you got some time to put into it and also a little bit of effort. This has great

potential, specially in the near future.

**3270** - December 4, 2013, 6:53 am

I thank InfinityLord for his honest review!

Just had my first buyer, no discounts anymore now. Only if purchasing with Feathercoin!

**apt-get money** - December 6, 2013, 4:51 am

This ebook really dives into the crypto currencies instead of bitcoins. It redirects you to a bunch of usefull websites and has a great general explanation on everything you'd need to gain wealth with cryptocurrencies. I do have to admit you have to understand what cryptocurrencies are to get started, but if you've performed just some basic research on them I can ensure you that you will fully understand the method provided with the ebook.

The grammar is correct, there are images which make things really clear and all which is required is covered in the book.

You've got my vouch, good luck with your sales.

Thanks for this vouch man :) means a lot to me!

**3270** - December 8, 2013, 5:00 pm

Since I've got not that many customers I'll do an discount of 20% on every order!

**3270** - December 10, 2013, 6:02 am

Last offer is a 40% Discount on this Ebook for the next 10 buyers!

**3270** - December 11, 2013, 3:35 pm

The prices are reduced from 30\$ to 15\$ and 40\$ to 20\$ this is permanently!

**3270** - December 13, 2013, 10:51 am

If you're buying now you would receive a new version of the ebook

**3270** - December 16, 2013, 4:22 pm

Now selling V2 of this ebook at a lower price!

**3270** - December 27, 2013, 12:19 pm

I declare that I now sell this ebook for your omnicoin (OMC) offer! I will look if it is high enough.

**king9901** - January 7, 2014, 2:31 pm

wait I'm still figuring out how to mine omnicoins.

**EziNet** - January 13, 2014, 7:56 am

How much Omnicoin for this ebook? would like to purchase.

**3270** - January 13, 2014, 9:15 am

(Jan 13, 2014 08:56 AM)BitMoney™ Wrote: [\[CITE\]](#) How much Omnicoin for this ebook? would like to purchase.

20K for the silver edition BitMoney™ I hope I answered your question by this.

**3270** - January 16, 2014, 1:20 pm

By now omnicoin is also accepted! :)

**3270** - February 6, 2014, 3:34 am

First sale with omnicoin has been done

**3270** - April 7, 2014, 5:18 am

Accepting omnicoin V2 for now! Get it while you can
