Thread: [World of Warcraft powerleveling. \[BTC/LTC/PP\] CHEAP!](#)

Layla - December 4, 2013, 4:52 pm

Hi guys, I'm offering a very cheap powerleveling service for people. I don't have gold or items to sell sorry. You can look at different sites for that.

Powerleveling packages.

1-20: \$10
20-40: \$17
40-60: \$24
60-80: \$29
80-90: \$36
1-90: \$55

Selling RAF. You just have to pay for everything, can play with you too for the 4x XP.

Prices are negotiable and I accept litecoin/bitcoin and Paypal.

Not going first as there's no way for me to hold your account till you pay, yet with Paypal you can just chargeback. Don't contact me if you're not willing to go first, if you do I won't deal with you. Sorry.

FAQ:

So why should you trust me?

Well I've never had a scam report on me, all the deals I've done have been smooth and worked out all fine for both of us.

How do I know you wont scam me?

I don't know why I would scam a very little amount of money for my account. You either trust me or you don't.

(Still working on thread)

Leveled by hand. I never bot on WoW, too easy to get banned.
