Thread: [Vithov's spreading ebook \[5 spreading methods in one ebook!\]](#)

Vithov - December 6, 2013, 2:48 pm

Greetings members,

I have decided to contribute to the community by writing an ebook myself about 5 spreading methods that work well for spreading!

Please post on this topic if you decide to read it to see me write future ebooks. ?

Direct link to read the ebook online:

http://www.mediafire.com/view/4033sxs4jg3aob/Vithov_Spreading.pdf

Enjoy. ?

tomatojoe - December 6, 2013, 9:48 pm

Good guide! I'm just getting back into to the swing of this stuff, and this ebook was a nice reminder/summary of some solid basic methods. As you stated, nothing that'll blow your mind, but all are reliable and work well. Good contribution for those new to the topic. Thanks, and look forward to seeing more from you :)

tsn6z - December 7, 2013, 5:25 am

arthurdog - January 5, 2016, 2:27 pm

Looks great I have always had trouble with spreading concepts.

?Enlightened - January 6, 2016, 7:27 am

few methods in there still possibly effective, but of course, mostly outdated ;)

?????????™ - August 26, 2016, 3:46 am

this is absolutely terrible , im sorry yeah you got the ways to spread but you dont actually teach us how to do it you just say what we should have and shit, this is a mess. thanks tho

JavaScriptOG - August 29, 2016, 6:11 pm

thanks for ebook man appreciated!

arthurdog - September 2, 2016, 7:40 pm

Looks like a great guide for how to spread. Thanks for the good post.

rig123rig - December 22, 2016, 4:37 am

Nice guides :) thank you very much

Comethru0001 - March 4, 2017, 6:47 pm

Sorry I'm new, and don't know if this is where I should be posting. I have an ebook package (never before used books that just entered pub. domain). The package includes 3 books of any subject for \$15. message me for more info.

You would have better luck if you started your own thread about this instead of posting on someone else's one.

Simulate - March 15, 2017, 1:28 pm

Great book, thanks for sharing!
