Thread: [Sports Writers](#)

Aeowulf - December 7, 2013, 9:57 am

The new <http://sportsgeeks.net> is looking for sports writers.

We need writers for all sports:

NFL / NBA / MLB / NCAA FB / NCAA BB / SOCCER / GOLF / TENNIS / MMA / MOTORSPORTS / Cricket / Rugby / Olympics / NCAA WB / NCAA Other / Other

We would prefer to have guys that love writing for the fun of it, looking to build a resume, and just to gain experience. If you were wanting to be paid, the pay will be low starting out until we can grow.

If you are interested, reply, PM me, or hit me up on Skype: GPTnow

?

This sounds interesting, but unfortunately I don't think my grammar, and my english overall is good enough for me to write articles :)

-Good luck finding writers pal

Just wondering, how much will the starting pay even be?

Not much, as we still have to build traffic. The site technically isn't open so we don't have any revenue. It is going to be slow at first, but once it picks up who know.

My plan is to take the ad revenue and create a share for each writer according to his input and the sections popularity.

Sort of like Bleacher Report then? There's a lot of competition out there, hope you succeed.
