D3xus - December 10, 2013, 6:36 pm

Just curious: will the charity be of your choosing or of the buyer's choosing?

Tesla - December 11, 2013, 2:02 am

Looks like a great service for a good cause.

Originally, my plan was to let all users, regardless if they purchased our services or not, vote and decide where a week's profit should go. However, Eternal and I have decided that it's better to buy packages from HumbleBundle, and then give away the games on here.

'Cody - December 11, 2013, 3:05 am

I'm not OP, but he doesn't.
Reason being: Gift cards are disallowed as currency here on Hack Forums.

I'm not sure in regard to Hack Forums rules, but seeing as proceeds go to charity here, I don't think that'd exactly work out.

Oh are you guys just donating money to charity? I mean you can always buy regular socks, and donate etc.

Yes. All profit will go to charity. It's much, much easier (and effective) to just donate the money rather than purchase items, ship items, and donate directly.

Crs SaintVicious - December 11, 2013, 7:42 pm
Okay, thanks for your help. I'll still add OP see what I can come up with.

Tonight - December 11, 2013, 9:01 pm

Prices aren't that bad. Geo targeted views, with very high retention. Great for SEO and ranking YouTube videos. Plus the money is going to a good cause.

I'm thinking about donating my money to a charity that helps underprivileged children at Christmas. Something like <http://www.barnardos.org.uk/>

What do you think?

GnarlyOCMD - December 16, 2013, 12:03 pm

Just pm'd you about buying 1k followers.

NohTow - December 16, 2013, 12:41 pm
