Why you should choose the BlogLock.net?

- you can register your own blog in less than 30 seconds!
completely for free, without domain and server costs, without worrying about limits, without knowledge about installation and configuration of WordPress!

- adding a gateway to posts is just 1 click!
from now on you do not have to upload files or implement complex gateways from CPA networks - one click and you've got!

- earnings statistics you have in the admin panel on your blog!
finally, forget about "flipping" between browser tabs, between your blog and the PPD or CPA

networks - now you have everything in one place!

- you have access to over 2,000 themes!

we provide you not only the standard WordPress themes, but also premium, including themes from ElegantThemes - absolutely free and 100% legal!

- we have a wide range of addresses to choose!

you can create your own blog in a subdomain of one of the following addresses:

*.bloglock.net, *.lock24.net, *.gamespress.net, *.filespress.net, *.hackspress.net, *.gem24.net, *.streams24.tv, *.movie24.tv oraz *.sharest.org!

- solid making money and payment is always on time!!

experience in the industry has allowed us to avoid many of the problems!

Express payouts we realize up to 5 days, while the standard payments we realize in NET15 by PayPal or Wire Transfer after accumulating \$15 on your accounts!

You can have an unlimited number of blogs on your account!

Join BlogLock.net now - create blog and have fun by using CPA functions in the admin panel!

That website acutally looks pretty high quaity, good luck with this.

Haza?d - December 14, 2013, 12:53 pm

This is a great website. Just so great.

You are already unlocked. It's the fault of anti-spam filters.

xhflhkeuhwguu34 - December 14, 2013, 2:29 pm

This actually looks pretty cool, good luck with it.

Thank you for unbanning me. I'm going to be using this service.

One thing I think you should add is a global site search function.

<https://premium.wpmudev.org/project/global-site-search/>

I think it would be great so people could search posts and everyone can get views easier.

Karczu - December 14, 2013, 4:26 pm

This modification will not be added because then everyone would be able to find niches of other users.

Verilog - December 14, 2013, 9:14 pm

Your site logo doesn't suit at all mate and use self hosted forum
It is always great

Karczu - December 15, 2013, 6:42 am

<http://support.karcz-provider.com> is our forums on our webhosting. We have a different address because it's our general support forum (also for our second project sharebay.net).

Karczu - December 25, 2013, 3:31 pm

First published payment proof:

[\[IMG\]http://img.uploaduj.com/dm-9WBW.png\[/IMG\]](http://img.uploaduj.com/dm-9WBW.png)

Some news:

- now you can park your own domain to your BlogLock blog. Log into your blog and go to: Tools -> Domain Mapping
- now you can import database from wordpress and blogger. Log into your blog and go to: Tools -> Import

pressforth - January 5, 2014, 12:34 pm

This looks interesting. is it still available. I need an income stream that can generate £166 a day. please help.

Karczu - January 5, 2014, 2:49 pm

You can find tutorials in "Money" section on this forums :)
