Giving away random League of legends accounts

Just a heads up these are completely random a lot of them were just used for referrals some are really good, i dont know the chances i just have a big list!

The accounts i will give :

Normal user - 1

Leet user - 2

Uber user - 3

Will give away to about only 20 People

Baxy - December 14, 2013, 2:33 pm

Hey, I'd love one or two if you want to be generous, I want to give my friend an account to use when we have LAN parties here.

TownToDusk - December 14, 2013, 2:37 pm

I had no clue i needed 25 Posts to send PM's so im working on it

Nice To Meet You - December 14, 2013, 2:37 pm

I'll take one or two thanks:)

Pm me when you get 25 posts.
