nrv1l - December 24, 2013, 2:40 pm

Eminem isn't what he used to be. He's smart bringing in pop stars to make money though.

Mac Miller• - December 24, 2013, 2:47 pm

I like it, true rap is back again. The end creeped me out tho

Eeluminati - December 25, 2013, 2:00 am

Honestly, I can't stand Rihanna. Ruins it for me sigh.

h3XXa - December 25, 2013, 9:18 am

Eminem is just all about the money nowadays.

Kendrick is the new king of rap.

MMLP2 was solid, but nothin special. Song is catch tho

Queers - December 25, 2013, 9:21 am

Eminem is crap now. 10-12 years ago he was phenomenal. This album was terrible. Who the hell is making the beats for his songs? He hasn't been good for several years.

lewis1202 - December 26, 2013, 12:09 am

He needs to get back to those old Dre beats!

afridi19 - December 27, 2013, 4:41 pm

the songs is good but the video....naaaah

yoloswag420amirite - December 27, 2013, 7:24 pm

I'm a huge fan of the song and MMLP2, but the video was wack imo.
