I downloaded the song the other day, it's quite good in my opinion and I don't know what to say about the video though, just seems, meh.

I dislike this song

It was a great song the first 1000 times I heard it

and a good song the next 50,000 times

But now I've had enough, Everywhere over plays songs

Alexander - December 17, 2013, 9:19 am

He definitely reaches for a more mainstream audience than before

inb4 illuminati faggot fanatics get all over this music video I just want to say that I didn't like the album alot. Some song was worthy of having on my phone but this one is not one of them.

Homesick - December 17, 2013, 9:52 am

Pretty good video, at least it is not boring, I do not watch many music videos.

miketv - December 17, 2013, 10:16 am

I am a fan of Eminem to the death, but honestly I think his latest album, this song included, falls short. He lost a step over the course of the last decade, most likely due to a lot of drug abuse IMHO. Still a fan though, and this song ain't bad.

Rap G?od - December 19, 2013, 4:15 pm

I personally think this video of Eminem is about him selling his soul to Satan and how a massive mistake it was, it may sound stupid, but its my opinion.

UTRONEX - December 20, 2013, 1:56 am

Awesome, haven't got time to watch now but I'll be watching later on

What a fucking shit comment. Unlike you I am a fan of Eminem "to the death". I got my first Eminem album when I was 11 years old, I'm 24 now and still listening to his music. Why does his album fall short? Because it isn't exactly the same as his old ones?

Do you even know why he was taking so many drugs? Were you still listening to his music when he was? I was.

Go and listen to Bieber or something.

Perforate - December 20, 2013, 5:37 am

I don't like it. I don't like Rihanna. Eminem is better than that. Just my opinion.

?exy - December 20, 2013, 5:57 am

for some reason the whole movie reminded me of the movie "Inception" & it just describes how Eminem has went through his music life from fame to insanity etc..

Elegant - December 20, 2013, 11:45 am

The music video was pretty sick. They did a pretty good job at it.

eckoowns - December 20, 2013, 5:05 pm

great song but i think the video is rather "brainwashing." it's just plain weird to me

Do You Want To Bet - December 20, 2013, 8:21 pm

baseballluke - December 22, 2013, 5:41 pm

The song is not that good but the video is interesting!

Fyreblaze - *May 29, 2015, 6:25 am*

I really love this song and the video is a little bit weird for me. But rather than that great artists and respect to both.
