Hey guys!

As it's almost christmas, I decided to do something for the community. I'll be giving away free 1 month premium spotify accounts! These accounts are not cracked but made by myself. As I can only make a few accounts a day, i'm only giving accounts to L33t/Ub3r. Just HMU for your account!

~PewDiePie?

Something went wrong with my last thread, this is the new one!
