Thread: [Font not displaying correctly on all browser](#)

gtasa720 - December 17, 2013, 12:16 am

I have font problem on all browser.
Don't know how to solve?

Screenshot from android.com

Tried it on both Firefox and chrome.
Any solution?

Someone had the same problem yesterday.
Did you download any new fonts recently ?

0x87 - December 17, 2013, 3:59 am

I have this problem atm with Firefox its annoying the hell out of me

#Thunder - December 17, 2013, 10:19 am

You are probably using a font that is not a non-system font.

gtasa720 - December 17, 2013, 10:50 am

I don't think so.Because same problem happens on Google Chrome.

Did you download any new fonts recently ?I had replied to your post.That post was removed by mod.Sorry for that.

No,i didn't download any new font or installed.
Few days back only i reinstalled my os.

Have you messed with any of the settings in Chrome?

gtasa720 - December 17, 2013, 11:11 pm

No i did nothing to settings on both chrome and firefox.

Try messing with the font settings in Chrome.
