Thread: [New InFaMoUs Members for Charity \(7 days\)](#)

iNviZ - December 17, 2013, 11:09 pm

Current Donations \$700.00

In the Christmas spirit as well as trying to do a good deed, [TheHackersLove](#) and I are going to be accepting 10 members into Infamous. Each member is required to donate a minimum of \$100. Our goal is to reach \$1000 before Christmas. Money will go to [Coats-For-Kids](#).

Code Coats for Kids Foundation, established in 2004 in Alexandria, VA has been a long time partner of Operation Warm, Inc . Founded on similar principles, both organizations have made it their mission to provide new winter coats to children in need. Our shared vision of ensuring every child wearing a new winter coat is healthy, able to attend school regularly and has a strong self-esteem is why Coats For Kids Foundation and Operation Warm, Inc. have united with a goal of serving at-risk children in the Greater Washington D.C Metro area and an increasing number of children nationwide.

CFC is a great solid foundation that sets out to just warm up the kids. Beings it is Christmas time, it's colder than ever so we figured it would be a good charity to go with. We considered doing [Toys for Tots](#), but it's better to stay healthy than give a toy to those less fortunate. Who know's we may donate a small portion to Toys for Tots, we're not 100% sure yet.

Beneficiaries

As a potential donator you will not only be helping a kid in need, but you'll be receiving quite a bit as well. Infamous HAS never held really any public applications or anything. The only way to get in Infamous was to already be in Infamous. This is strictly a now through Christmas deal and it will end on the night of the 25th (roughly 11:00 AM PST).Custom Userbar (InFaMoUs)

Great Group plus it's for a good cause! I would highly recommend donating for this!

nuvexy. - December 17, 2013, 11:20 pm

Wow, this is extremely tempting. I might just do this.

Let me see what I can work out.

Juicy Jake - December 17, 2013, 11:20 pm

I'm very interested in this, I'm going to PM you now.

Honestly one of the best donations you'll ever make, Infamous is a great place.

Tonight - December 17, 2013, 11:25 pm

Great cause.

I hope you two only accept donations from the best though.

Shame - December 17, 2013, 11:25 pm

I love this shit, usually not one to support buy ins, but this is great.

Agitator - December 17, 2013, 11:28 pm

If only I had a \$100 bucks laying around, would definitely do it

Douchebag # 145 - December 17, 2013, 11:30 pm

While normally I don't think buy-ins are a great idea, I don't care at all in this situation.

I'm totally in favor of you guys doing this and donating the money.

Way to be, guys.

I've sent a message. Looks like a great opportunity and a chance to make someone else's Christmas special.

Freddy Kru?ger - December 17, 2013, 11:48 pm

If only it ended 5 days later, ah well.

I will donate to this cause after new years when I get paid though, even if it doesn't get me into the group.

phybe? - December 17, 2013, 11:50 pm

That's very thoughtful of you guys to do that, I hope members take advantage of your offer since it is going to a good cause.

Assailant - December 17, 2013, 11:53 pm

Fantastic idea to the both of you.

Great cause too.

Re?olution - December 18, 2013, 12:20 am

I don't really like the idea of letting people in for throwing money around, but I am really glad to see that the money is going to a great cause.

Good luck with your fundraising =)

Kosmos - December 18, 2013, 12:25 am

I don't think you know how much I appreciate this cause. I was in their position before. I didn't have a thick coat to keep warm in the winter. I barely had gloves, a hat, boots, or even warm pants.

Kudos. If I had the money, I would donate.

Thank you for doing this.

There is no way THL or iNiviz would want a 'financial gain' or what you referred to as a 'personal gain' from this.

Christmas is rapidly approaching and both THL iNiviz and the Infamous family have decided to reach out to charities for this festive holiday.

If you really think all people just want something for themselves then you need a reality check buddy.

Ya'll need to breathe for a little bit, I think. The guy could easily have been legitimately inquiring because it does seem almost entirely too generous to be donating such an amount to charity. Sometimes it's hard to remember that there are people who like to help others.

Though, granted, he doesn't seem to have read the thread fully or carefully enough.

That is true but remember it's not coming out of one persons pocket, it's coming from the Infamous family so it's a lot easier to believe from that perspective.

I to would question if it was from one person but a group of people? I believe entirely. Also, everyone in here are well trusted and very nice members, I'm sure they have their heart in the right place ?

To be honest I don't know iNviZ & THL. Only thing I know about them is that they are internet group leader(s).

Only reason why I asked this question is cus most of online charity stuff is scam/50% goes to "creators" of project.

Anyways im glad to hear that you are not such a bastard and you will give all cash to "Coats-For-Kids."

Have a good day.

Aren't you guys getting a bit too offensive towards StarCraft 2?

You probably don't know that there are a lot of people who are claiming to give to charities but put like 30-50% in their own pockets.

He asked a question because a lot of people are trying to gain from their so called charity work. So perhaps some of you as Thornzzz posted earlier:

Just so you know it, the meaning behind my post was not to badmouth you but more that he asked a question that may have had some real thought behind. Like I mentioned a lot of people are actually fucking others over by using the word charity. I am not saying that you (InFaMoUs) will fuck people over. But on the other hand you could be doing it but we would never know.

Of course if you are going to give it to charity then I will just say it is a great thought and you will probably help out some people and that is great. ?

Two separate payments, they charged me for using my visa debit abroad since I'm from the UK, I don't know if it's VAT or something stupid like that but it looks like it's a charge. It's an American donation website and I reside in the UK.

Once Matt & Carrot pay for the donation they should receive an email just like that with the amount they donated, it should state everything. If they get someone from abroad to donate then this is what their transaction should look like on their online banking. I donated on behalf of the group.

To those of you still deciding whether or not you are going to donate for the cause, you should consider the harsh winter this year. In Texas last month, my cousin had to buy her children winter coats because it was so cold.

<http://www.foxnews.com/weather/2013/12/06/ice-friday-blast-bears-down-on-south-midwest/>

In Michigan (where I reside), winter keeps getting worse and worse. Roads are slippery, there's plenty of families in poverty in and around Detroit, Flint, and Saginaw who cannot afford winter clothing.

Do the right thing.

Edit- never mind, I can't afford it with the current giveaway I'm doing. Least 50\$ of the 300\$ I'm giving away is for charity ?

Vince - December 18, 2013, 8:20 am

I have sent out a pm. I would gladly donate a bit more because of the charity it is going to. I had to once use this as a kid because of my dad being in an accident and out of work! I am not ashamed of it neither! This is a good cause, so I hope more are pming you about it.

Robust - December 18, 2013, 9:57 am

I posted about PMing before but I didn't say much about charity. Being honest, in my lifetime I've never given more than £25 to charity. I've given a lot of items worth money that non-profit organisations have sold but never once just went online and hit a donate button for an amount greater than £25. It's a pretty nice opportunity to feel good about yourself.

I sent a PM to OP as well in case he reads it first.

Showed the forum that kids should always come first. Infamous will be strong as it's always been. We are not the most active group but there is more heart in this group than any other on HF. For one there is 10 of us that has always stuck together going on years now. You go achieve that and then make a new post. Cause honestly I do not give a fuck. Sad that 120 post were junked on this thread when IT has been for kids who need help. I denied over 60 members. If it was pay to join why would I do that? Commen fucking sense.

I want to do this should I send directly to the charity?

Hi, I'm glad to see your interest. This is definitely a once in a lifetime opportunity.

You should PM iNviZ for approval to ensure that you meet the requirements to join the group. iNviZ does not want standards to dip so ensure that you meet the requirements in the original post and PM iNviZ asking him for approval to join Infamous via the charity recruitment. After this he will either reply with approved or may not reply at all. After that you will get an email to donate to. From there the final amounts will be sent to CFK.

I am in no way managing this, that is simply the procedure I went through and what is mentioned in the OP.

Best of luck.

Anyone who donates is a very lucky person. Infamous is such a close group of people and I've enjoyed it ever since I was in it. Thanks to those who donate ?

I'm loving the atmosphere already.

Seriously, this is a once in a lifetime thing.

I am about to pay for this! just waiting for the paypal email and all :)

Digital™ - December 25, 2013, 12:28 pm

Same as above, waiting to pay! Thank you!

Robust - December 25, 2013, 12:45 pm

It would appear the seven days are over so I don't think iNviZ is doing this anymore.

I had an agreement with him and I was accepted just waiting to pay that's all. I have messaged him a couple of days ago. Probably on vacation. No stress. Just letting you know I have the money ready.

Fredo Santana - December 25, 2013, 1:32 pm

He never read my messages he must have a shitload.

??Tommy - December 25, 2013, 1:33 pm

I remember inviz mentioning this would be over 2 days ago.

Digital™ - December 25, 2013, 1:39 pm

Yes it does say 7 days but I spoke to him last week and he reviewed me and accepted with the terms of me paying when I got paid. If thats not the case now, no problem all cool.

When did you send it? Usually he gets back to you in 24 hours but with Christmas and New Year's Day around the corner I'm sure it may take him a tiny while. I don't think he'll accept donations after that closing date though, but I can't speak for iNviZ. Just letting it be known.

Message receipts can be denied. It could be that you were denied.

Yeah, that's called denying the message receipt. Tracking shows receipts. Same thing really.

I got accepted to this, but I don't have the money, as I got scammed. If I can get the money in the next week will I still be allowed to enter? I have \$50, but I went to sell \$50 BTC and it was stolen.

Depending on a few things and when you can get the money, I could probably let you borrow what you need.

Let me know and offer me what you want etc.

Om?nous - December 25, 2013, 2:12 pm

I sent the payment 2 days ago, still got no reply from him and still not in the group :L

Robust - December 25, 2013, 2:47 pm

Too many people, it feels like we have 50 new people and stuff.

It would be somewhere around there, maybe more. I couldn't tell you exactly since I wouldn't know how many original members were in the group.

SIM-1091100 - December 25, 2013, 3:04 pm

If I had money, I would, especially since it's for charity. But I spent most of my paychecks on presents for the family

MATT?HEW - December 25, 2013, 4:20 pm

I believe he was only accepting ten people. Says in the OP

Not sure how many spots are left.

Skitlz - December 25, 2013, 5:22 pm

Sent a PM, Hope I'm accepted. I'd love to donate to the charity anyway.

I think about -30 slots are left :P, donation module wasn't updated. The last update was when I donated.

I believe some of the money has already been sent by the way.

Apparently it changed from 10 people to whoever could make a payment in 7 days.mi may be wrong but that's what I heard and what it looks like.

There have been 33 new members added I believe, although some of them were invited into the group.

Skitlz - December 25, 2013, 11:35 pm

Waiting for a PM back, I hope I'm allowed. It would be great to see my money go somewhere.

Glad to see this thread still going on. Nice initiative from the members who wanted to support a good cause.
