Random accounts are unchecked random accounts, we don't guarantee anything!

As for my signature I would like it animated.

Here is what I am wanting:

Something similar to the user here: (

Meaning not to alike but you get the idea what I am looking for.

Logo: League of Legends

Text: LoL Account Shop

Subtext: Fast + smooth transactions, NA / EUW Regions, Vouches, Cheap and affordable, Unchecked Accounts + Level 30s. Then whenever it switches I would like it to have it present:

Mail Icon (For HF PM)

Then a skype(icon): then name.

I believe I covered everything. Yes I can pay like I said within the post. Hopefully not to outrageous of a price :D ?
