Thread: [\[HOT\]\[TUT VIDEO\]How to make a Stub FUD/UD](#)

ziane - April 30, 2010, 4:17 pm

Hi ALL HF MEMBERS !

I have made a video tutorial (with the tutorial from StyliS !)

Link : Streaming :

<http://zianewesh.free.fr/HF/fudding.html>

Link for the tools used in video :

<http://www.mediafire.com/?onzw2zb1wui>

Sorry for the music (It's FRENCH XD) And Sorry for my very bad English !

Thanks to : StyliS.

Please leave comments !

By All , Ziane !

Félicitation pour ta vidéo, continue comme sa !

Tocak - May 16, 2010, 11:54 am

Use XOR, HiRES icon, no junk code = FUD Server.exe = 30-70kb
or learn to rewrite the entire code = FUD Server.exe = 18kb

zarkocg68 - December 11, 2010, 1:23 am

sympa, trop cool ton stub. Vais l'essayer de suite

Golliath808 - December 22, 2010, 9:06 am

THNAKSx100 MATE ! SUPER TUTORIAL AND VIDEO !!! GJ

One BIG question: If I have a RUNtime stub source and I make it more UD with your methods, will be more UD RUNTIME?!?!?! or will be UD ONLY Scantime???

1NV1518L3 - March 22, 2011, 6:15 am

my keylogger is detected by 3 antivirusses in ntv , if this works i add you to my keylogger credits list :) big thanks i am going to test junk gen.

gomomo123 - March 22, 2011, 7:16 pm

why whenever i press play, theres some kids dancing around...
