Thread: [Orochimaru's Middle Man Service \]\[VERY CHEAP \]\[PayPal, Accounts, Virtual Items, Etc](#)

Orochimaru - December 23, 2013, 10:18 am

Hello and welcome to my Middle Man Service thread, I will be providing cheap and affordable middle man services for almost anything. I've seen the Deal Dispute section filling up with new threads daily, and I'm hoping to clean up a small fragment of that and here's how I'm trying to help!

Payments:Accounts: Habbo, Maplestory, Runescape, LoL, WoW, Emails, Instagram, Snapchat, Vine, Facebook, other social networks, xBox Live, PSN, Netflix, Steam, etc.

Money: PayPal

Virtual Items: Habbo Gold Bars, Maplestory NX, Microsoft Points, etc.

Domains and Projects: Booters, Website, Hosting, etc

Programs, Crypts, Etc: FUD Crypts, JDBs, RATs, Spreading services, Infections, etc.

Other: Just ask what you need and I'll most likely be able to handle it!

Rates (Paypal): This is based on what the item is worth or the amount of money being handled.

\$0.1-\$50 = %3

\$50 - \$100 = 5%

\$100-250 = 7%

\$250+ = 10%

(EVERY 2ND PURCHASE IS FREE!)

Thanks! If you have any question just feel free to post below or PM me.

Good luck with this. However with your limited rep, etc, it might be hard :|

Thanks, and yeah I know. That's why I had to make mine cheaper than others.
