Thread: [BYTE CRYPTER ISSUE](#)

**stidude** - December 25, 2013, 12:35 am

Just bought a lifetime package of byte crypter third edition being new to this forum i need 25 quality post to pm the seller coz my servers are all not fud any help for me n advise will be appreciated am too stalled for now because of this?

**Toqoz** - December 25, 2013, 3:05 am

You could try posting on the buy thread, in the hope the seller responds there. Or if they arn't fud currently it might be updated soon.
