If you make 500\$ a day why do you put it in a survey link? hum, seems scam to me :P

Jollem - December 29, 2013, 9:36 am

1000\$? in 2 days? and you are trying to get about 10\$ per 20 downloads in about 1 month?

you are so clever.

P.S btw if you want to make money with adsense you need to work hard,with blackhats on adsense someday you are gonna get disabled, dont mess with the big G.
