A 14 yrs old went to a bar with his father when,

Guard: Sir, I am sorry but your kid is not allowed to go inside the bar.

14 yrs old : Sir, if I may speak. I am already 21 yrs old, don't judge me by my height. Look at my fathers height.

Father: Seriously son?

Guard: You can go in now.

I am not a comedian so I don't know anything funny. :D

h4xer - December 25, 2013, 9:36 pm

Kind of an nsfw joke maybe :P

The wife asks the owner, "what's so special about this mirror that it's \$50?" The owner says "it's a magic mirror, it will grant you any wish." After a little discussing the husband and wife decide to purchase the mirror.

They haul it home and hang it on their bedroom door. "Try it out," the husband exclaims. The wife looks in the mirror and says, "Mirror, mirror on the door. Give me boobs that touch the floor." All of a sudden, the womens breast enlarge, become voluptuous, and are so big they are touching the floor.

The husband obviously excited wants to try it out. He looks in the mirror and says, "Mirror, mirror, on the door, make my dick touch the floor." All of sudden, the mans legs fall off.

and thanks for this Lt. Rexagon

DaEnemyz - December 25, 2013, 9:37 pm

I'll be honest, this is not my original joke, my cousin told it to me and it made it laugh so I thought I'd share:

A father comes home to find his daughters there with their lesbian partners, (the father is not really gay friendly)

Father (angrily and annoyed): Does no body in this house like men anymore?

Son walks in

Son: I do!

There was a commander named Napoleon. They were being attacked by the British so he said to his firstmate "Firstmate Nicholas, go get my red shirt" so he got his captains red shirt and he asks "Captain Napoleon, why did you need this red shirt?" and than Napoleon said "If I get shot, my men will keep fighting for me!".

2 hours later they were attacked by 200 British ships and when they first spotted them, the captain said "Firstmate Nicholas, go get my brown pants."...

Thank you c: I really hope I get to win L33T. Hope you all had a Merry Christmas!

A man was in a bar all day and he had to use the bathroom. He was in there for a while, yelling, so the barmaid reluctantly went to the bathroom to check on him.

"Sir, what are you yelling about? You're scaring the customers."

"Every time I try to flush the toilet something keeps biting my balls!"

"Sir, please get off the mop bucket."

Hai I'm poof :D

There's an Air Force guy driving from McChord to Ft Lewis, and an Army guy driving from Ft Lewis to McChord. In the middle of the night with no other cars on the road they hit each other head on and both cars go flying off in different directions.

The Air Force guy manages to climb out of his car and surveys the damage. He looks at his twisted car and says,.. "Man, I am really lucky to be alive!"

Likewise the Army guy scrambles out of his car and looks at his wreckage. He too says to himself, .. "I can't believe I survived this wreck!"

The Army guy walks over to the Air Force guy and says,.. "Hey man, I think this is a sign from God that we should put away our petty differences and live as friends instead of archrivals"

The Air Force guy thinks for a moment and says, .. "You know, you're absolutely right! We should be friends. Now I'm gonna see what else survived this wreck"

So the Air Force guy pops open his trunk and finds a full, unopened bottle of Jack Daniels.

He says to the Army guy, "I think this is another sign from God that we should toast to our new found understanding and friendship"

The Army guy replies, "You're damn right!" and he grabs the bottle and starts sucking down Jack Daniels. After putting away nearly half the bottle the Army guy hands it back to the Air Force guy and says, "Your turn!"

The Air Force guy twists the cap back on the bottle and says, "Nahh, I think I'll wait for the cops to show up."

Today's Joke! A girl Said Trust Me....?

minimalist - December 26, 2013, 1:56 am

You want to hear a joke; that's it? Alrighty then, here goes.

A man walked into a pizza parlor - hungry, weak and in need of food.

A young petite woman, Italian, brought a pizza to the table upon request...

...wait no, this joke is too cheesy. Nevermind.

--

Did you hear about the guy whose whole left side was cut off? He's all right now.

--

I'm reading a book about anti-gravity. It's impossible to put down.

--

I wondered why the baseball was getting bigger. Then it hit me.

--

It's not that the man did not know how to juggle, he just didn't have the balls to do it.

--

I'm glad I know sign language, it's pretty handy.

Ok a man gets pulled over for speeding by a Cop. The makes a little circle, on the ground, using his baton and tells the man to stay in it.

The Cop is observing the car (a really nice and expensive car) and hears the man laughing.

The moves the baton along the sides of the car and the man is still laughing.

The Cop then hits a car a bit and the Man is still laughing.

By this point the cop totally ruins the car and its smashed by the baton.

The man is still laughing the Cop asks him, Why?

The Man replies that while he was hitting the car he was stepping in and out of the circle.

She thought for a moment then called her boyfriend and told him the story. Her boyfriend then said to her, do it but "Ask him for \$2000, pick up the money very fast he wouldn't even have enough time to undressed himself." So she agrees. Half an hour goes by, the boyfriend decides to call girlfriend, he asks, what happened? She responds, "The Bastard used coins I'm still picking and he's still fucking!"

So this priest is driving down the highway, drinking on a bottle of water. A cop pulls him over and tells him he's swerving, the cop asks the priest if he's been drinking. The priest replies "of course not!", then the cop points to his bottle full of wine. The priest looks up and says "not again!"

Bill worked in a pickle factory. He had been employed there for a number of years when he came home one day to confess to his wife that he had a terrible compulsion. He had an urge to stick his penis into the pickle slicer. His wife suggested that he should see a sex therapist to talk about it, but Bill indicated that he'd be too embarrassed. He vowed to overcome the compulsion on his own. One day a few weeks later, Bill came home absolutely ashen. His wife could see at once that something was seriously wrong. "What's wrong, Bill?" she asked. "Do you remember that I told you how I had this tremendous urge to put my penis into the pickle slicer?" "Oh, Bill, you didn't." "Yes, I did." "My God, Bill, what happened?" "I got fired.." "No, Bill. I mean, what happened with the pickle slicer?" "Oh...she got fired too.

Thanks for this even if I don't win.

Paddy died in a fire and was burnt pretty badly. So the morgue needed someone to identify the body. His two best friends, Seamus and Sean, were sent for. Seamus went in and the mortician pulled back the sheet.

Seamus said "Yup, he's burnt pretty bad. Roll him over".

So the mortician rolled him over. Seamus looked and said "Nope, it ain't Paddy."

The mortician thought that was rather strange and then he brought Sean in to identify the body.

Sean took a look at him and said, "Yup, he's burnt real bad, roll him over."

The mortician rolled him over and Sean looked down and said, "No, it ain't Paddy."

The mortician asked, "How can you tell?"

Sean said, "Well, Paddy had two arseholes."

"What? He had two arseholes?" asked the mortician.

"Yup, everyone knew he had two arseholes. Every time we went into town, folks would say, 'Here comes Paddy with them two arseholes....'"

This isn't my joke but I thought I'd share it with you.

As a senior citizen was driving down the freeway, his car phone rang.
Answering, he heard his wife's voice urgently warning him, "Herman, I just heard on the news that there's a car going the wrong way on Interstate 280. Please be careful!"
Herman said, "It's not just one car. There's hundreds of them!"

Alright, well this one never fails...

I actually planned on being a comedian when I am older.

Anyways, this is based on a true story.

How I lost my virginity.

Okay, so I had my chest pubes going down to my ball fro... wait wrong story...

Okay, we were at a park, and this bitch start talking this mad horny shit, so I trying to be a pimp and im like "Come here." and she comes here, and im like "Can I kiss you" and shes like "why?" so I just kiss her and we start making out and shit, and yeah.

So i'm like "can we go back to your house" so we do, we make out, blah blah, and then were horny so im like "Can we have sex?" i felt dumb as a motherfucker asking if we could have sex, like wouldn't you usually just whip that shit out and start penetrating? No? Thats rape? Oh okay, well anyways...

So I was like "you got any condoms?" and she said "no" and im like "Where do you guys keep your sandwich baggies at?"

So this horny fuck, walks downstairs naked, and starts showing me where there at, well my dumbass goes and picks up that fucking reynolds wrap that you put over left over pie, so i start wrapping that shit all over my dick and shit and I use that as a condom.

I swear to god i was penetrating her shit so hard that i didn't even know what the fuck was going on. I could smell the fuck out of her pussy, shit smelt like a mixture of fergie and jesus.

Next thing i know, i look down and my dick broke right through the wrap, so yeah, I kinda sat there and laughed at her because she was on google looking up the pregnancy stopping pills while she had nut all over her stomach, so yeah.

thats my story, hopefully you laughed cuz ive been on this fucking site for so long and i can't afford this fucking leet man.
