Thread: [\[Guide\] Boost PTC Referrals or Just Earn Some Money](#)

tharek - December 27, 2013, 8:41 am

So I have been looking into ways of earning money without spending anything, and so came across Probux/ Neobux. I am at 70 RR each and earning between 20-30 cents a day which isn't bad, but is too slow because when it comes to buying refs again I can only buy a few.

So to speed up the process I joined a site called Slicethepie and the job is simple. Listen to a song for 90 seconds and review the song, it can be about 4-8 lines. At first you'll be earning 6 or 7 cents per review but it can easily be ed up to 20 cents each.

So that's per hour:

$60 \times 60 = 3600$ seconds

$3600 / 90 = 40$ songs

$40 \times 20 = \$8.00$

If 50 refs cost \$10

Like me I have a lot of free time so an hour per day, after a week that would be enough to buy 250 refs. Don't know about you but that sounds pretty good to me.

Please sign up using the ref link, it would be really helpful: ?
