Thread: [\[Question\] DoS Tools for DoS an GMod Server?](#)

Hawkk - December 27, 2013, 6:24 pm

Hi Guys.

I only want to ask you, that it gives an DoS - DDoS Tool to shutting/lagging an GMod Server down?
Thanks for answering.

Regards, Hawkk

No free one will work. Go into the server stress testing section and buy a booter.

s7venty s7ven - December 28, 2013, 1:12 am

You should use LOIC, I heard that program was good for taking down anything.

Spoiler [\(Click to View\)](#)jk just buy a booter

Hawkk - December 28, 2013, 1:38 am

Because i need an tool for DDoS an Garrys Mod Server.

Are LOIC works on that ? :O

AllowKoodit - December 29, 2013, 3:42 pm

U interested on ddossing? well, I will add your skype. let's see if I can help

Digital Drug Lord - December 29, 2013, 4:28 pm

is there any one who does, PAY PER DDOS?

powerchopper4000 - December 31, 2013, 11:46 am

why do you want to DoS/DDos a GMod server dont use DoS or DDos tools for bad things like taking down game servers use it for good things like defending yourself and other people

Purine - December 31, 2013, 12:35 pm

I'll do it for you give me the IP.

35 Char

liam1uk - December 31, 2013, 3:48 pm

Buy a booter, For example www.dollarboot.com
I used that and it normally works pretty good :)

NEVER use LOIC. I agree with liam, dollarboot is a great, affordable booter that can get the job done.
