Thread: [Sell DDoS attack for ddos home connection - Skype Bot](#)

TiOneDDoSso - December 28, 2013, 4:51 am

As title say i sell ddos attack to ddos home connection i will offer a plan for 15 € / 6 month .

After the payment i will comunicate to you: a skype contact to add (the bot) to which you will send command to ddos home's connection ip, an username and password to send to the bot and a list of commands.

Avaiable for test of few minutes, just contact me on skype: saraedavide8212

Some Screen :

Help Screen:

DDoS Screen:

Ping Screen:

haha nice idead dude! make a booter thru a skype bot , i will ad you skype to test it!

NJKL - December 28, 2013, 6:05 am

Nice idea my bro,
good luck with sells ?

The Witness - December 28, 2013, 6:20 am

Send me a copy of this to test out? ill confirm it it works?

Neal Caffrey - December 28, 2013, 6:24 am

This is quite a unique idea.
Good luck with sales. ?

Really appreciate dude :) Thanks ?

U63R - December 28, 2013, 4:08 pm

Could vouch for you! Send me a copy if you are interested. Also note that I am a odd mac user. So if it's for mac... :)
