TheGoodLife - December 28, 2013, 6:08 pm

I'm looking for someone with to work on this little project with me. It doesn't require much technical knowledge.

I'm not interested in working with young kids.

Requirements:

You must have Skype and a Microphone

You must be from North America

Good upload speeds

PM Me with your Skype name and I will contact you.

Moon Man - December 28, 2013, 6:40 pm

PM'ing Now :D! hope this isnt a troll ;3

Otis??????????????? - December 28, 2013, 6:40 pm

How will we be making said money? Do we have to invest into anything?

MightyKnight - December 28, 2013, 6:44 pm

Abstruse, I'm willing to help out as of right now I don't have good upload speeds using my Phone as hotspot, I just moved and got no internet as of right now, I'm working on it tho. Hit me up if you need my help.

TheGoodLife - December 28, 2013, 7:16 pm

Replied to you all except Devil, I need you to have upload speeds.

MightyKnight - December 28, 2013, 7:46 pm

Alright man, as soon as i get highsPEEDS ill PM you maybe you still need someone.

Alexander - December 28, 2013, 9:19 pm

Why do you have to be from North America? Is it essential?

TheGoodLife - December 28, 2013, 10:00 pm

(Dec 28, 2013 10:19 PM)Alexander Wrote: [\[CITE\]](#) Why do you have to be from North America? Is it essential?

I prefer that because it's hard when you're not on a similar timezone than me.

The Witness - December 29, 2013, 6:26 am

I'm up all hours of the night, If you still want this I could do this.

Exemplification - December 29, 2013, 2:41 pm

Depending on what needs to be uploaded, I may be able to do it.

What exactly needs to be uploaded?

Z.A.C - December 29, 2013, 4:01 pm

I am available to do this Abstruse.

Very interested indeed.

PMed with my skype.

TheGoodLife - December 29, 2013, 4:07 pm

PMing everyone back, still looking forward to hearing from more people.

Fernet - December 30, 2013, 9:41 pm

Its about giving support or something? Cause as your partner need mic. assume that need to talk in fluent English, not?

Charaoh - December 31, 2013, 2:40 am

If its not too much of a hassle, I have no problem spending a few hours doing it. I sent you a PM

Rabbert Klein - December 31, 2013, 9:48 pm

this seems interesting, i would like to know more about it please

GrizzlyH4X - January 1, 2014, 7:45 am

I'm interested in this add me on skype I have great download speeds I live in North America and I have skype with a mic.

Enzio - January 1, 2014, 8:44 am

Sounds interesting. PM me if you still need help. I live in NA.

SIM-1179501 - January 1, 2014, 8:48 am

How would you classify "good upload speeds"?

_sol - January 1, 2014, 11:15 pm

(Jan 1, 2014 09:48 AM)???? Wrote: [CITE](#) How would you classify "good upload speeds"? This. I'm interested, but I wonder why you haven't been able to find someone yet.
