Thread: [Free Battlefield 4 AXE Battlepack Code \[ONLY ONE\]](#)

Rexagon - December 29, 2013, 7:41 am

I have 2 Battlepack codes from AXE redeemable for Battlefield 4

Ok so I have no clue what these are, I don't play Battlefield 4.

I have 2 codes, the first 2 ub3rs to post here will win a battlepack code. You can expect to get the following in the battlepack:

XP Boost, Vehicle Unlocks, Vanity Items, and Weapon Attachments.

This also enters you to win a chance to win a sweepstakes for a 4 night trip to Germany, or some BF4 licensed Merchandise, Games, or a Tablet.

That was read from the back of the card.

Note that these codes weren't illegally obtained

Good luck

EDIT: ALLOW A 24 HOUR WINDOW FOR ME TO PM YOU WITH THE CODE

This is first come first serve, the first user to post here asking for the code will receive it within 24 hours via PM.

-Ub3rs only-

-L33ts and reg. members accepted if 500+ rep-
