Lady Deathstroke - December 30, 2013, 1:48 pm

I think this is one of the few services that could do well here because not too many people offer this and more and more people pop up each day complaining about being limited best of luck with sales.

VirtualMechanix - December 30, 2013, 1:54 pm

^Thanks for the vouches bros! Hope I can help more people cuz this is hard as hell!

Krew - December 30, 2013, 1:56 pm

This is actually a illegal service. You are offering "help with documents" aka document faking, and making up a fake alibi? This is fucking fraud, bro.

Look, mate. You cannot do it here, editing documents is against the rules.

We recommend you take the time to read the [HF Help Documents](#) section. The answer to your questions should be contained in there.

VirtualMechanix - December 30, 2013, 2:02 pm

NOT EDITING DOCUMENTS BROS!! MANY PEOPLE DON'T KNOW WHAT KIND OF DOCUMENTS TO SEND!

And for the alibi I just help the person not fake but form a more formal and reliable alibi!

And how would you do that? I have a limited Paypal that needs bank number confirmation (NOT FRAUD), if you could call them up, or unlimit my Paypal, I'd give you a lot of dough.

Seems like a good service, other then that whole fraud aspect which I hope is not what you are doing ;)

xVulnerable - December 30, 2013, 2:06 pm

How much will you be charging for this?

Fredo Santana - December 30, 2013, 2:06 pm

If you can help unlimit my permently limited Paypal I have \$250 for you.

Swirl - December 30, 2013, 2:09 pm
