P?r?more - May 2, 2010, 6:04 am

Nope, no casino/gambling.

?Yang? - May 2, 2010, 6:06 am

What does this involve?? making ebooks??

P?r?more - May 2, 2010, 10:03 am

No. Please read the first post, no buying, selling or trading. And I can't tell you what it involves, that would give away the method.

Chris_ - May 2, 2010, 11:14 am

Theme of the guide?

Does it involve networking sites(Myspace-Facebook-etc..)

Quality of Information: 3/5 The method is shown and explained.

Ease of Use: 3/5 This seems easy enough.

Layout: 3/5 Layout is fine.
Grammar: 4/5 Grammar is fine.
Originality: 4/5 I haven't seen something like this.

Notes: I plan on doing this. It seems like an easy way of making money. Create a bunch of paypal accounts if need be to dump all your revenue onto your main paypal.

Quality of Information: 3/5 The method is explained and so is any other information you might need. Sometimes areas are unclear (PM'd you).

Ease of Use: 4.5/5 Extremely easy to use no special requirements needed.

Layout: 2/5 Bit boring but nothing unclear about it.

Grammar: 5/5 Nothing wrong with grammar.

Originality: 4/5 I have yet to review an eBook like this, Very unique and method is quite different to the usual ones.

Notes: Like BackSlash, I am also going to try this out, This seems like an easy way to earn some

extra money and does have the potential to be earning huge everyday.

?Impossible - May 3, 2010, 2:16 pm

Bought the ebook.. .. Will post review and notes after I get paid, cause for some reason.. I don't think this will work :|

-----•(• ???g? •)•----- - May 3, 2010, 3:01 pm

Well, I purchased the eBook. After some heavy reading and looking it up, this could work. I was offered a refund if the company in question did not payout, but I'm fairly certain they would, seeing as their way of making money is quite reliant on you.

Vouch.

Still Selling!

Bump

Chris_ - May 4, 2010, 12:41 pm

Just a note for you guys.

It takes 1 month to payout.

But method is auto pilot so its not work everyday.

P?r?more - May 5, 2010, 12:08 pm

Oh thx for that Chris. I will add that to the first post. 1 month payout.

hyperflash - May 5, 2010, 3:20 pm

So u say i spend 10 \$ and then i make 200 per day. So u make in 1 month 5000-6000 ?WHy the hell u still sell accounts then .It's strange to me.

The Elite - May 5, 2010, 3:23 pm

So if they don't gift it, you take the money?

That's scamming.

P?r?more - May 5, 2010, 4:18 pm

Not really. I clearly told them they must send them as a gift as well as the consequences if they don't. It's their fault if they can't read. It is not scamming at all.

Chris_ - May 5, 2010, 4:53 pm

Right in big red letters then you write it small...

P?r?more - May 6, 2010, 3:56 am

ok, sure, but if they even want to buy, its in that sentence, so I don't get why they would read half of it.

I'd like to see some payment proof?

P?r?more - May 7, 2010, 3:55 pm

You get paid monthly. I have not gotten paid the hundreds yet, you get paid net15. But I am sure it is legit because I have gotten paid smaller amounts, before I discovered this method. I can post earnings of the unpaid balance if you would like???

?Yang? - May 7, 2010, 4:03 pm

Gomezpeer???

{short[

P?r?more - May 7, 2010, 4:09 pm

Nope, not Gomezpeer. I've never used that before.

DFWi Reaper - May 7, 2010, 4:27 pm

I'd like to see the unpaid at least, so really you're not sure if you can make 200\$ a day with this? Just assuming?

I'd like to talk on msn if possible

P?r?more - May 7, 2010, 4:46 pm

Added you on MSN. We will talk there

=====

Quality of Information: 3/5 Explained decently, bout half the pages aren't mandatory, but very useful

Ease of Use: 3/5 Could take some time to set up the first part, but the rest is easy as pie. First part: 2/5 ; Second part: 4/5

Layout: 2/5 Layout isn't very... exiting, gets the point across well, but boring to read (as stated)

Grammar: 5/5 Grammar isn't a problem, it's pretty well written.

Originality: 4.5/5 I HAVE seen a method using this site, but this is definitely a method I haven't seen, you'll slap yourself for not thinking of it yourself.

Notes: The overall idea of this method is pretty simple, but is very effective. I face-palmed myself after reading the first sentence (cause I attempted using another method with this site, but never saw it through) but after reading on, the idea is really good. I'd recommend this to people who are looking for a decent income, you may not make 200\$ (actually, I know for a fact you could make more then that TBH) but I would recommend not making that much, as it is a little blackhat.

On a final note, if you really want this method to start off HUGE and setup time taking a LOT less time, a little investment helps (trust me).

I'll post my earnings after finals are over (I hate college)

P?r?more - May 7, 2010, 7:19 pm

Thanks for the review! I have another official review coming soon...

P?r?more - May 8, 2010, 6:18 am

Depending on how much effort you put into this, even the slightest bit more effort can produce a lot more income, will determine how much you will make. If you're a complete lazy ass, you won't make much with this. But you could EASILY make over 200\$/day
