Evocative Wrote: [\[CITE\]](#) My Review

I got my hands on a copy before Cobalt+ released the method and it is definitely worth the buy. The eBook is great and it shows many ways in which you can make money all based around the same idea. It is extremely detailed and very well-written. I truly cannot believe how this eBook is only \$14.95. It is a great buy for anyone looking to make money.

Dignus Wrote: [\[CITE\]](#) I recently got my hands on this method and all I gotta say is that IT WORKS. I followed the eBook and used one of the methods in it and added my little twist to it, to earn THIS!

Great price for this eBook man.

(Jan 11, 2014 02:48 PM)phybe? Wrote: [\[CITE\]](#) Although I'm not typically a huge fan of ebooks, I've known Paranormal for quite some time and I can assure you that with his support, you'll certainly be able to prosper! Best of luck with sales!

(Feb 7, 2014 09:54 AM)acidreeflux Wrote: [\[CITE\]](#) finally got everything straightened out thanks guys. I can vouch for these guys this method is great really its like 4 mehtods in 1 so hurry and get it while you can before everybody finds out!

[url=/url]

All 25% refunds are done at my discretion - 25% refunds will be void if method isn't applied. You can not chargeback. You will not win the chargeback, I assure you that. A scam report will be opened.

Tastylicious - January 2, 2014, 1:52 pm

HUGE vouch for my man Paranormal.

I have seen this method and you can make tons with tiny afford!

Skyp? - January 2, 2014, 1:57 pm

Paranormal and I now run this eBook.

Feel free to PM either him or I with questions, I'll get to questions if there are any when I get back from work tonight.

Thanks for the vouch Tasty! ?

iNuke - January 2, 2014, 2:07 pm

Vouch for Paranormal, a legit and trusted user.

Good luck selling IncomeFrenzy

oz@bsd - January 2, 2014, 2:08 pm

So, within twenty minutes of reading this, I'll have fourty dollars?

Paran?rma1 - January 2, 2014, 2:09 pm

(Jan 2, 2014 03:08 PM)Teavana Wrote: [\[CITE\]](#) So, within twenty minutes of reading this, I'll have fourty dollars?

Yes it is quite possible.

Not within reading the thread, but after reading the ebook and putting little effort towards it. ?

Cobalt+ - January 2, 2014, 2:15 pm

Vouch for this eBook. It truly does work and I can guarantee you that.

Sounds really interesting Paranormal. Best of luck in your sales, mate.

Emylbus - January 4, 2014, 3:41 am

Product Title: Income Frenzy v2.0

Product Authors: [Paran?rma1](#) & [Skyp?](#)

File Metadata: [\(Click to View\)](#)

VirusTotal Scan: [\(Click to View\)](#)

Disclaimers:I was asked to write this review by [Paran?rma1](#) and was given a free review copy of the product. He has not seen this review prior me posting it.

This review should be only considered valid for the version I reviewed (v2.0). Future updates may resolve some issues I had with this product.

I have next to no experience in this form of money making any criticism I make should be read with that in mind.

I have not attempted the methods listed in the book itself and cannot personally attest to how successful each method is.

The book claims to come with free support from the authors, but I'm going to base my review solely on what is in the book itself.

Lastly I am a very critical person who doesn't trust ebooks in general and my criticism is going to probably be more harsh and my expectations unreasonably higher than another reviewer's.

What I Did Like:

This book is well written. I noticed no grammatical errors, and few screen shots helped break up the the text to make it easier to read quickly. It is obvious a lot of time and care was put into making this book.

The book is a pretty decent introduction into a certain form of money making I've been curious about for a while. Going from not knowing anything, I feel confident that I could enter this field should I want to. Everything was easy to understand and told me just enough to point me in the right direction. It's easy for a tutorial to get tunnel vision and this book stays on point.

What I Did Not Like:

The methods described in the book aren't groundbreaking. For most, I have seen similar things discussed on HF before. I do not think there is anything in this book that someone experienced in this particular field of money making won't already know about. The book is more a sharing of a half dozen resources to let you make money than it is sharing new methods (there is one method I personally haven't seen or thought of myself).

I guess nobody should be surprised that if you want to make money you're going to have to spend money for most methods written in this book. I'm talking around \$10 each time you want a serious boost in your earnings, but you'll probably make it back if you're smart about how you spend it. The average person will likely struggle making money without paying for the types of 3rd party services the book recommends.

I found the help provided by the ebook to be frustrating at times. For example, one method gives you a website to sign up for and explains each option you need to choose. But once it gets you that far it just sort of tells you to google for some 3rd party services to boost your income and suggests a couple sites to search for them specifically. The rest of the methods follow that similar structure while providing varying levels of assistance. If I had one wish for this ebook, it would be for the authors to provide more detailed examples of how they implemented each method.

Conclusion:

If you're expecting something new and novel this is not the book you're looking for. If you're looking for a book to hold your hand every single step of the way, this also isn't the book for you. However if you're a novice like myself, want a decent introduction into a specific field of money making, and are happy to be creative with the implementation of the methods, then you should consider it.

With all that said, this is probably as good of an ebook as you can get on the topic and is considerably more helpful than many others I have seen. You're not going to be burned by purchasing this book.

Frawshy - January 4, 2014, 8:13 pm

You can trust this method, Paranormal has the Master Donator award, that's a whopping \$500!

If he can donate \$500 to the site without blinking an eye, he keeps his funds UP. Income Frenzy, in other words.

Skyp? - January 4, 2014, 9:09 pm

triku25 - January 5, 2014, 12:27 pm

does it involve CPA/PPD/EBAY/ADSENSE?

Paran?rma1 - January 5, 2014, 12:55 pm

(Jan 5, 2014 01:27 PM)triku25 Wrote: [\[CITE\]](#) does it involve CPA/PPD/EBAY/ADSENSE?
It is CPA but it is very unique and not like any of the other methods out there.

It does not include eBay or AdSense.

Thank you for your interest. ?
