Thread: [Need a Shop Thread Layout and Sig](#)

TuMalevolent - January 3, 2014, 10:52 am

I really want the thread but if you can also do a sig that's a plus
here is the Shop I need transformed

No offense to the person above.
Here's what I came up with :D // Hope you like and maybe I'll earn a free GAME <3

Edit: I Can't PM Back - Skype Me // dagoberto.lopez2

Can you take the A30v and Fredo off and take Only available in the Us off also

after that its a great Sig
can I have the URL so I can put it on

make it small enough so I can fit it in my sig

I apologize I didn't save PSD.

However, I could remake it again if you want, any other modifications I urge you to add me on

skype so we can make it how you see it in your head :D.
Let me know.

No need to recreate

I got you

I got you
Thanks for the effort, however you resized it wrong.
You can tell by the xbox logo. But thanks for trying :D

Thank you for trying also. Somehow you ended up doing something wrong because the left side of
the banner looks great, but the right side is over sharpened or something else. That is why I offered
to re-create it :D// For little and big things. But thanks again, maybe he'll like it.
