First, i sent you a PM about this ebook but it looks like you are ignoring me.. second, you need a verified Paypal account to sell on sellfy.com :<https://i.imgur.com/QzRXV9R.png>

No problem sir.

Thanks erik,I'll work on that. Anyways I'll send more info on the PM later.

Thanks in advance,
SkitZ

EDIT:Thanks to -Lag- for being my PayPal holder for a while. Thanks man.

Would you like to exchange a vouch copy for a very detailed review?

kray - January 4, 2014, 9:09 pm

"No scamming".

scam: a dishonest scheme

This is ideally scamming. It works, but the games aren't permanent. whatever.

was gonna buy, but this comment made me start thinking... any one facing this issue who bought from this guy??

Morgan_-Freeman - February 23, 2014, 7:47 am

I currently don't have any cash to buy this method, but in trade I can offer you on of these things (If you ever want it)

<https://hackforums.net/showthread.php?tid=4078199>

Btw, does this involve any site? If it does, It's already public.

Helipads - February 23, 2014, 6:43 pm

If you are offering vouch copies, I'd like one! I want to review your product!

Bought his e-book, and have to say that your method is obvious. I thought there is a unsaturated method, but its just a Steam tool -.-

anyways. GLWS
